CONWAY HOSPITAL, INC	SCHEDULE H, PART V, SECTION B, QUESTION 5 Understanding the community's health needs is a n important component to the Conway Medical Center's mission. The process of this understanding has two major elements. 1) what do we know? This involved reviewing the secondary in formation available from a wide variety of sources to understand health needs and behavior s. This included reviewing local, state, and national healthcare and demographic variables. 2) What are we hearing? CMC wanted to gain understanding from the residents we serve. This was a critically important element in this process. We listened as residents shared the ir thoughts through surveys. Input was sought from public health leaders, physicians, business leaders, religious leaders, former patients, community advocacy groups, and community members. Community input. The Community Needs. Members of the Community Health Needs As sessment Committee worked to prioritize the identified top health needs in the community This resulted in the development of a prioritization ranking. The priorities were consider ed based on significance of the community need and CMC's ability to impact the need. This process identified priority health issues for Horry County that CMC feels it has an ability to impact at certain levels. Access to health services, Maternal, infant, and child, Nut ritional, physical activity, and obesity, and Tobacco/substance abuse. Conway Medical Cent. (CMC) will collaborate with community partners in implementing evidence-based strategie is across the community. CMC has taken into consideration both internal as well as external resources found within other organizations in the development of the 2019 CHNA. Implementation Strategy. This phase of the CHNA, the Implementation Strategy, will outline CMC's act ion steps to address the health needs of the community identified in the prioritization ph ase of the CHNA by continuing effective programs or executing new strategies. In this phase, CMC will also explain why the hospital cannot address all of the needs identified in the CHNA, and if applicable, name an organization that CMC will support in meeting these needs. The following are needs that CMC has chosen to address. ACCESS TO HEALTH SERVICES- CMC understands that underserved populations often struggle to access the proper health services, whether it be due to limited personal or community resources. Explanation

Tobacco abuse is currently addressed by various programs at CMC and in the community As part of CMC's 2013 CHNA, CMC included this need in its prioritization planning and active ly implemented actions. As other organizations are specifically focused on this need, CMC will focus its resources in

actions. As other organizations are specifically focused on this need, CMC will focus its resources in other areas. CMC will continue to be an advocate of creating s moke free environments. CMC has chosen to address SUBSTANCE ABUSE by focusing on Mental He alth. MENTAL HEALTH - CMC is aware of the importance of addressing mental health and behav ioral health needs in the community and the significant role it plays in overall mental and physical health. Both CMC and community members feel that there is an opportunity to improve mental health education and access to a range of mental health programs and resources in the community. More information about CMC's goals and strategies to address these heal th needs can be found at our website listed above.
