Academic Support: The University library (approximately 250,000 volumes held) provides online and in-person support for the principal academic divisions. The L. Mendel Rivers Library includes a coffeehouse, Java City, on the main floor and a study lounge on the second floor. Charleston Southern University students may access the Internet within limitations to facilitate diversity and personal growth in technology, informational research skills, complete online classes and exams, and practice Netiquette and online communication skills. Access is provided free of charge to all students in the computer labs and library except for pre-determined lab fees that are required for some classes. CSU is a completely wireless campus, providing access in the residence halls for all registered resident students. We continue to increase the number of e-books and electronic databases as move of the academic literature is becoming available online rather than in printed format. COVID restrictions have impacted the available space due to social distancing needed in the L. Mendel Rivers Library and, all support moved online after March 16, 2020. Every student has been given a Zoom license to facilitate study individually or in groups as well as attend classes virtually. The campus closed in March and delivered all courses and services online through August 19, when we reopened for traditional courses. The Reference Desk remained staffed in person and online for student assistance and our library staff are all credentialed and granted faculty status. The Library was open to the public during normal operating hours from August 2019 March 2020. It did not reopen to the public as the University is still enforcing a "no-guests" COVID policy.

Form 990 (2019)

Form 990, Part III, Line 4a:

Instruction: For the Academic year, 2019-2020, enrollment was 3,190 undergraduate and graduate students completing traditional, online, and hybrid courses. 753 degrees were conferred during the year, and the total number of full-time professors was 192. We offered 57 undergraduate degrees and 22 graduate degree programs. CSU offers more than 800 courses, and approximately 400 are normally available online. Due to COVID, our faculty quickly pivoted and after Spring Break, all courses were converted to online delivery to complete Spring 2020. Deans, senior administrators, and faculty members are continually in touch with local employers and we continue to develop new programs to increase workforce readiness through internships, even though many of those became virtual learning with COVID continuing to keep employers working remotely. Preliminary work was completed to begin an Aeronautics BS degree and start-up classes for a new Engineering were approved by the Curriculum Committee this year. This year we started construction on a new Engineering building and completed the Physical Therapy addition to the Health Science Building. Academically, we added new online programs since our College of Adult and Professional Studies (CAPS) was ranked 11th in the country by US News and World Report. The quality and demand for these programs is driving an increase in the number of adult online learners. CSU faculty and staff remain involved with Trident United Way Literacy program, the Lowcountry STEM Collaborative, and international companies with a local presence. The School of Education has also partnered with local private high schools to offer dual enrollment to students who are interested in transferring to CSU after they graduate from high school. This year our Teacher Cadet program reported 200 students enrolled, one of the largest programs in the state. Each year the number of both undergraduate and graduate degrees offered increases. The Experiential Learning Initiative (ELI) provides our undergraduate students with opportunities to obtain work experience through an internship program. It is part of our Quality Enhancement Program required by regional accreditation and integrates clinical-based, practicum experience and non-traditional learning opportunities for all undergraduate students. Through the ELI program, CSU has continued to build a network of outside partners in public and private businesses and the students are greatly benefitting from participation in the program, which is now a graduation requirement. We have enhanced the services of our Global Education office by increasing the number of international partnerships with overseas universities. Again, COVID challenges in Spring erased all summer and fall participation in Study Abroad programs this year, but we continue to recruit international students to join us online and in person. CSU was once again named a Yellow Ribbon (military-friendly) school. The College of Nursing continues to lead the state of South Carolina (for 11 years) with the highest percentage of nursing student graduates to pass the national nursing licensing exam (96% in 2019). Our Physician Assistant program graduated it is first class with a PANCE pass rate of 98%. CSU awards institutional, state, NCAA and federal financial aid to a rapidly growing student population representing an increase in numbers and academic quality. Approximately ninety-five percent of the student population receives some type of financial assistance.

Form 990, Part III, Line 4b:

Student services: Enrollment services and Student Services consisting of Campus Ministries, Career Center, Counseling Services, Recreational Services, Residence Life, Community Service, Student Diversity, and Student Activities. Charleston Southern University serves a diverse student body by offering more than 50 undergraduate majors, 18 graduate programs, and 15 online programs. The Enrollment Services Office is housed in the Hunter Center. Enrollment Services is comprised of the following: Admissions (undergraduate and graduate), Financial Aid, VA Services, Enrollment Operations, and Student Employment. In addition, the Registrar's Office, Student Accounts Office, and the Cashier's Window is housed in the Hunter Center offering a "one-stop" service center for new and continuing students. The Enrollment Services Office handles all undergraduate and graduate recruiting. The Admissions Office handles multiple communication channels for more than 40,000 prospective students annually, resulting in more than 1,400 new students each year. The Financial Aid office processed more than \$78 million of federal, state, and institutional financial aid for more than 3,400 students during the 2019-20 academic year. Approximately ninety-five percent of the University's undergraduate population receives some type of financial assistance. Charleston Southern has been recognized for the following: One of America's 100 Best College Buys, a College of Distinction, One of America's Best Christian Colleges, and a U.S. News and World Report Best Online College. The University continues to promote Academic Excellence in a Christian Environment. In addition, CSU is proud to be designated a Military Friendly School by Victory Media, which publishes the premiere military personnel magazine GI Jobs. In keeping with its mission to serve the military population, the University has participated in the Yellow Ribbon Program for more than nine years. Approximately 300 veterans and their dependents were certified to receive government benefits for the 2019-20 academic year. The Student Life Department is comprised of Campus Security, Campus Ministries, Career Center, Counseling Services, Campus Recreation, Residence Life, Student Diversity, and Student Activities. Campus Security provides 24/7 security services for our entire campus. All of our CSU security guards are armed and our contact security personnel are from the largest private security company in the country, Allied-Universal. We have over 200 cameras on campus that are monitored 24/7 and an multimodal early alert system to notify our campus community in case of an emergency. Campus Ministries provides spiritual guidance and support for our campus through a variety of means: Chapel services, weekly student-led worship services called Elevate, small group bible studies, and ministry/missions opportunities. The Career Center helps our students line up their passion with their purpose. We train students in best practices to help them secure careers that are meaningful. A variety of testing, workshops, and career fairs help to connect students with future employers. Counseling Services is available to all students at no extra cost. Students are serviced by two LPC's (one holding a PhD in counseling) and several interns. A new, expanded center opened in the Fall 2020 semester and nearly doubled the size of the previous counseling center location. Campus Recreation provides resources for our campus community to stay physically strong and well balanced. A fitness center, gymnasium, weight room, swimming pool, and intramural sports are offered to our CSU family. A new new intramural field complex is being constructed and this state of the art facility should be open in Fall 2021. Residence Life is responsible for assigning rooms and providing services for over 1,000 resident students each major semester. The also provide valuable lessons in conflict mediation, team building, life skills, and service opportunities for students. Student Diversity plays a key role in our campus, especially since our campus has one of the largest minority populations of any private school in the state of S.C. that is not a HBCU. Programming, forums, and cultural celebrations are all a part of this growing and exciting area. Student Activities keeps things moving on campus! With more than 50 clubs and organizations and many Greek Organizations, Student Activities is always busy. We also have 16 community building, campus-wide events each year that we call the "Sweet 16" that helps to make CSU a unique school!

Form 990, Part III, Line 4c:

Auxiliary Enterprises: The University residence halls, dining hall, and campus bookstore are the major auxiliary enterprises serving the University community. Our dining hall and Java City are operated and managed by Aramark, and our bookstore is operated and managed by Barnes and Noble. We, also, have a convenient Chick-Fil-A Express and a Wingate by Wyndham hotel on the Charleston Southern University campus. The Wingate offers 97 luxurious, oversized guestrooms, suites with free high-speed wireless internet, 32-inch flat screen HD LCD TV, and more than 2,000 square feet of meeting space to accommodate everything from a 10-person board meeting to a gathering of 1,500 people in Lightsey Chapel Auditorium. For the past 20 years, CSU has been partnering with M-Fuge, the summer service camp sponsored by LifeWay. Approximately 3,000-4,000 middle and high school students from across the SE United States would be hosted on our campus each summer. Beginning Summer 2021, we will begin a new partnership with SummerSalt youth and childrens' camp sponsored by the S.C. Baptist State Convention. We are expecting approximately 3,500-4,000 children and youth from across S.C. to meet on our campus each summer. We also are the primary sponsor for Student Leadership University (SLU) - a youth leadership experience that provides leadership opportunities for students in Florida, Texas, Washington DC, Europe, and Israel. This unique opportunity is provided by CSU alum Dr. Jay Stack.

Part I, Line 2:	The financial aid office at Charleston Southern University requires students to complete the Free Application for Federal Student aid (FAFSA) form to determine eligibility for Federal, State, and institutional grants, scholarships and loans. This is an equitable formula that measures all assets consistently. In addition to this form, the institution does require some other guidelines in the event that funds are offered based upon certain academic credentials or performance in a University sponsored activity or athletic event. These credentials are clearly stated in the University catalog and the University website. Enrollment and eligibility are monitored by the University. Scholarships are applied directly to student accounts. No cash changes hands.

Return Reference	Explanation
Part I, Line 1a	<p>Travel for companions: The President's and President Emeritus' wives travel with them on occasion to support development and public relations efforts of the University. The governing board has specifically authorized this and recognizes it as necessary and for bona fide business purposes; this benefit is therefore not included as taxable compensation to the President or President Emeritus. Housing allowance or residence for personal use: The University does not have a residence on campus provided to the President free of charge as do many colleges and universities. In order to address this inequity, the governing board has authorized payment of a housing allowance to the Charleston Southern University President. A housing allowance is also provided to the Executive VP and Dean of Students. Pursuant to Internal Revenue Code Section 107, ministerial housing allowances are provided for qualifying ministerial employees. This is not included in taxable compensation. All officers noted above met the qualifications for and received a ministerial housing allowance during the tax year. The President Emeritus receives a housing allowance that is treated as taxable income on his W-2. Health or social club dues or initiation fees: The governing board has authorized the payment of social club dues for the President and the President Emeritus for the purpose of entertaining University donors, board members, etc. These are not included in taxable compensation since they are for bona fide business purposes. Personal Services: The President and President Emeritus are also authorized by the governing board to receive reimbursement for housekeeping and yard services due to the frequency of University guests entertained at their personal residences for bona fide business purposes. This is not treated as taxable compensation. All perquisites indicated above have been instituted by the governing board of the University.</p>
Part I, Line 4b	<p>Per instruction from the University's governing board, a nonqualified retirement plan has been established to which the President Emeritus, Dr. Jairy Hunter, is authorized to participate. Total amount contributed during the year was \$1,000.</p>
