| 1 | Part IX-A, Line 1 | Part IX-A, Line 1 | Summary of Direct Charitable Activities: In 2018, the Alabama Power Foundation, Inc. ("the Foundation"), determined to extend its focus on education and relief of the poor and distressed and of the underprivileged through participation in state and local workforce development efforts. The Foundations efforts were focused on helping schools, colleges, and universities prepare graduates for tomorrow s job opportunities, in addition to helping the poor and distressed and the underprivileged access the states workforce education and training programs. The purpose of these efforts was to increase access to education, to promote social welfare by preventing community deterioration, and to provide relief to the poor and distressed and the underprivileged. In addition to making grants to eligible tax-exempt organizations, the Foundation devoted some staff and consultant time to these efforts. The Foundation anticipates that such efforts will continue in 2020 and thereafter. |

Alabama Power Foundation Scholarship Program

Program Information

The Alabama Power Foundation offers a scholarship program to assist Alabama Power employees' children who plan to continue their education in college or vocational-technical school. Renewable scholarships are offered for full-time study at an accredited nonprofit institution of the student's choice. Only children of Alabama Power employees are eligible to apply for this program. Southern Nuclear, the Georgia Power Foundation and SCS each have their own respective scholarship programs for employees' children.

This program is administered by Scholarship America®, the nation's largest designer and manager of scholarship, tuition assistance and other education support programs for corporations, foundations, associations, and individuals. Awards are granted without regard to race, color, creed, religion, sexual orientation, gender, disability, or national origin.
