Program Activities DCP Curricular Revision Step 1. Adopt a curricular framework (completed) Step 2. Use the backward design model of curricular planning (ongoing throughout) Step 3. Review and validate competency definitions and levels of mastery Workshops with DCP Curriculum Committee and administration Step 4. Plan and implement assessment strategies Step 5. Create the student learning journey Current Status. Step 3 of the plan was completed on October 5, 2018. A group that included the members of the DCP Curriculum Committee, Facult y Senate President, Clinic Directors, Division Chairs, Director of Clinical Education, and Associate Deans convened to review and validate competency definitions and levels of mast ery that were created by the faculty curricular sub-groups. Next step is to review the information that was presented by the groups, edit for any gaps or omissions, and have the DC P Curriculum Committee to present to the DCP faculty for review and feedback (Winter 2019). The dean and VPAA will review timelines and reestablish contact with the educational con sultants to determine what is needed to move into Step 4 of planning and implementing asse ssment strategies. DCP Completion Project The number of students identified for the Completion Project has been consistent between 30 and 61 students per quarter with 54.2% of the students registering for the recommended number of credit hours the following quarter. Stu dents who are not able to continue the recommended schedule will be included in the project to an an ongoing basis since they would continue to fall below the threshold of credit hour is to complete the program in 21 quarters. Two (43%) students were no longer in the program. Pre-Requisites Update. The DCP Pre-Requisites implementation was changed from Fall 2018 to Winter 2019 due to some course conflicts with student learning outcomes. All pre-requisit es have been uploaded in Colleague, Student Planning, and Acalog for the Life Student and Community to view and utilize. The DCP prerequisite task force will monitor the changes of fects on the students progression through the program. ChiroMissions Course. The DCP has c reated a course in collaboration with Peter Morgan to allow students to participate in mis sion trips for elective academic credit. This course will be an experience providing chiro practic services in an underserved community outside of the United States by interns in conjunction with licensed faculty/extension faculty doctors. The first group of students and faculty are scheduled to attend a mission trip in Haiti in March 2019. DCP Minority Stude in Groups. The DCP continues to meet with minority student organizations to determine how we can better serve them with resources (both academic and personal) to help support them in completing the program. The DCP administration meets with the student president of SABC A and the Hispanic Club quarterly. The DCP administration also attends SABCA meetings and Hispanic club. A focus group was conducted with the African American Students in Summer 201.8 to collect information on their experience in the program and determine if they were experiencing any challenges that were contributing to them not completing the program on time. 110 African American students attended and the DCP was able to extrapolate 8 themes based on the information collected A task group has been create

The mission of the Life University Clinic System is to improve the health and wellbeing of people in the communities we serve by providing chiropractic care and other health services, centered on the Vertebral Subluxation Complex. We will mai ntain excellence in the educational standards of our teaching clinics and encourage all constituents of our clinics to actively participate in their own health and wellness care, and to actively participate in health and wellness programs that reach out to others in our communities. Clinical operations incorporate a variety of chiropractic services provided to the general public inclusive of complementary services provided to a range of special propulations. The clinic system is composed of several types of clinical experiences. The clinical education and patient care delivery are stratified into three levels. The education all goals and objectives are clearly spelled out for each level, and assessment tools devel oped to ensure that appropriate competencies are measured and outcomes utilized to improve the clinical program. The Life University Clinic System prepared and executed the implementation of the Electronic Health Records throughout the clinic system. The Electronic Health System was fully implemented throughout the clinic system in 2015. This implementation created a greater consistency for patient care and intern education. It also creates an all most paperless environment due to the limited use of paper forms. Level I Experience. The Level I clinic experience includes quarters one through nine and is where basic competencies are developing in an environment where there is close faculty supervision. The majority of patients in a Level I clinic are not expected to be complex cases. Level I Clinic. The Campus Center for Health and Optimum. A committee of faculty and staff will be appointed to lead the project CGUS will begin in late January participating in webinars, discussions with other institutions in the RMP cohort and gathering data relevant to the project. Several faculty will be attending the Gardner Institutes Gateway Course Experience conference in Atlanta in March. The John N. Gardner Institute for Excellence in Undergraduate Education is a non-profit organization dedicated to partnering with colleges, universities, philanthropic organizations, educators, and other entities to increase institutional responsibility for improving outcomes associated with teaching, learning, retention, and completion. Beginn ing Fall quarter 2018, CGUS created a separate and distinct awards convocation and banquet. Feedback from those who attended was overwhelmingly positive.
