Description of Items: Tax Treatment of Sale of Partnership Units

During the fiscal year ending May 31, 2020, The University of Tampa, Incorporated ("University") disposed of publicly traded partnership interests. Each partnership provided the University with a Schedule K-1 that includes supplemental tax reporting information. Included in the supplemental tax reporting information to the Schedule(s) K-1 received from the respective partnerships is a sales schedule (sample provided below) summarizing certain information with respect to the disposition of units.

The University takes the position that any amount reported from the disposition of partnership interests classified as ordinary gain is not subject to unrelated business income ("UBI"). Rather the disposition of each of the partnership interests represents a disposal of a single asset and is excluded from unrelated business income under modification for unrelated business income provided in Code Section 512(b)(5).

IRC Section 512(b)(5) provides that there shall be excluded all gains or losses from the sale, exchange, or other disposition of property other than-

- (A) Stock in trade or other property of a kind which would property be includible in inventory if on hand at the close of the taxable year, or
- (B) Property held primarily for sale to customers in the ordinary course of the trade or business.

In analyzing the gain or loss from a sale, exchange or other disposition of property, IRC Section 512(b)(5) does not require that the disposed property be a capital asset to qualify for its exclusion from UBI. Thus, as long as the partnership interest is not "stock in trade" or other property of a kind which would properly be included in inventory nor property held primarily for sale to customers in the ordinary course of a trade or business, the sale of the partnership interest can be excluded from the computation of UBI. Furthermore, Section 512(b)(5) does not look through the partnership interest in applying its exclusion from UBI to gain or loss on the sale of the interest.
