Supplemental Information

Return Reference	Explanation
Part X, Line 2:	<p>The filing organization is a subsidiary organization within AdventHealth. The consolidated financial statements of AdventHealth contain the following FIN 48 (ASC 740) footnote: Please note that dollar amounts are in thousands. Healthcare Corporation and its affiliated organizations, other than North American Health Services, Inc. and its subsidiary (NAHS), are exempt from state and federal income taxes. Accordingly, Healthcare Corporation and its tax-exempt affiliates are not subject to federal, state or local income taxes except for any net unrelated business taxable income. NAHS is a wholly owned, for-profit subsidiary of Healthcare Corporation. NAHS and its subsidiary are subject to federal and state income taxes. NAHS files a consolidated federal income tax return and, where appropriate, consolidated state income tax returns. All taxable income was fully offset by net operating loss carryforwards for federal income tax purposes; as such, there is no provision for current federal or state income tax for the years ended December 31, 2019 and 2018. NAHS also has temporary deductible differences of approximately \$46,500 and \$53,000 at December 31, 2019 and 2018, respectively, primarily as a result of net operating loss carryforwards. At December 31, 2019, NAHS had net operating loss carryforwards of approximately \$47,500, expiring beginning in 2022 through 2026. Deferred taxes have been provided for these amounts, resulting in a net deferred tax asset of approximately \$11,400 and \$13,400 at December 31, 2019 and 2018, respectively. NAHS remeasured its deferred tax assets and liabilities based on the rates at which they are expected to reverse in the future, which is generally 21%. A full valuation allowance has been provided at December 31, 2019 and 2018 to offset the deferred tax asset, since Healthcare Corporation has determined that it is more likely than not that the benefit of the net operating loss carryforwards will not be realized in future years. The Income Taxes Topic of the ASC (ASC 740) prescribes the accounting for uncertainty in income tax positions recognized in financial statements. ASC 740 prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken, or expected to be taken, in a tax return. There were no material uncertain tax positions as of December 31, 2019 and 2018. On December 22, 2017, the United States enacted tax reform legislation commonly known as the Tax Cuts and Jobs Act (Act), resulting in significant modifications to existing law. Certain provisions impact tax-exempt organizations, including revisions to taxes on unrelated business activities, excise taxes on compensation of certain employees, and various other provisions. While final regulations on these provisions have not yet been promulgated, the impact of these provisions on the consolidated financial statements is not expected to be significant.</p>

Return Reference	Explanation
Part I, Line 3	<p>The individuals who serve on the executive management team of the filing organization are appointed and compensated by Adventist Health System Sunbelt Healthcare Corporation (AHSSHC). Compensation and benefits provided to these individuals are determined pursuant to policies, procedures, and processes of AHSSHC that are designed to ensure compliance with the intermediate sanctions laws as set forth in IRC Section 4958. AHSSHC has taken steps to ensure that processes are in place to satisfy the rebuttable presumption of reasonableness standard as set forth in Treasury Regulation 53.4958-6 with respect to its active executive-level positions. The AHSSHC Board Compensation Committee (the Committee) serves as the governing body for all executive compensation matters. The Committee is composed of certain members of the Board of Directors (the Board) of AHSSHC. Voting members of the Committee include only individuals who serve on the Board as independent representatives of the community, who hold no employment positions with AHSSHC and who do not have relationships with any of the individuals whose compensation is under their review that impacts their best independent judgment as fiduciaries of AHSSHC. The Committee's role is to review and approve all components of the executive compensation plan of AHSSHC. As an independent governing body with respect to executive compensation, it should be noted that the Committee will often confer in executive sessions on matters of compensation policy and policy changes. In such executive sessions, no members of management of AHSSHC are present. The Committee is advised by an independent third-party compensation advisor. This advisor prepares all the benchmark studies for the Committee. Compensation levels are benchmarked with a national peer group of other not-for-profit healthcare systems and hospitals of similar size and complexity to AdventHealth and each of its affiliated entities. The following principles guide the establishment of individual executive compensation: - The salary of the President/CEO of AdventHealth will not exceed the 50th percentile of comparable salaries paid by similarly situated organizations; and - Other executive salaries shall be established using market medians. The compensation philosophy, policies, and practices of AHSSHC are consistent with the organization's faith-based mission and conform to applicable laws, regulations, and business practices. As a faith-based organization sponsored by the Seventh-day Adventist Church (the Church), AHSSHC's philosophy and principles with respect to its executive compensation practices reflect the conservative approach of the Church's mission of service and were developed in counsel with the Church's leadership.</p>
Part I, Line 4b	<p>The executives on the filing organization's management team that hold the position of Vice-President or above are compensated by and on the payroll of Adventist Health System Sunbelt Healthcare Corporation (AHSSHC), the parent organization of a healthcare system known as AdventHealth. In recognition of the contribution that each executive makes to the success of AdventHealth, AdventHealth provides to eligible executives participation in the AdventHealth Executive FLEX Benefit Program (the Plan). The purpose of the Plan is to offer eligible executives an opportunity to elect from among a variety of supplemental benefits, including a split dollar life insurance policy and long-term care insurance, to individually tailor a benefits program appropriate to each executive's needs. The Plan provides eligible participants a pre-determined benefits allowance credit that is equal to a percentage of the executive's base pay from which is deducted the cost of mandatory and elective employee benefits. The pre-determined benefits allowance credit percentage is approved by the AHSSHC Board Compensation Committee, an independent committee of the Board of Directors of AHSSHC. Any funds that remain after the cost of mandatory and elective benefits are subtracted from the annual pre-determined benefits allowance are contributed, at the employee's option, to either an IRC 457(f) deferred compensation account or to an IRC 457(b) eligible deferred compensation plan. Upon attainment of age 65, all previous 457(f) deferred amounts are paid immediately to the participant and any future employer contributions are made quarterly from the Plan directly to the participant. The Plan documents define an employee who is eligible to participate in the Plan to generally include the Chief Executive Officers of AdventHealth entities and Vice Presidents of all AdventHealth entities whose base salary is at least \$260,000. The Plan provides for a class year vesting schedule (2 years for each class year) with respect to amounts accumulated in the executive's 457(f) deferred compensation account. Distributions could also be made from the executive's 457(f) deferred compensation account upon attainment of age 65 or upon an involuntary separation. The account is forfeited by the executive upon a voluntary separation. In addition to the Plan, AdventHealth has instituted a defined benefit, non-tax-qualified deferred compensation plan for certain executives who have provided lengthy service to AdventHealth and/or to other Seventh-day Adventist Church hospitals or health care institutions. Participation in the plan is offered to AdventHealth executives on a pro-rata schedule beginning with 20 years of service as an employee of AdventHealth and/or another hospital or health care institution controlled by the Seventh-day Adventist Church and who satisfy certain other qualifying criteria. This supplemental executive retirement plan (SERP) was designed to provide eligible executives with the economic equivalent of an annual income beginning at normal retirement age equal to 60% of the average of the participant's three, five or seven highest years of base salary from AdventHealth active employment inclusive of income from all other Seventh-day Adventist Church healthcare employer-financed retirement income sources and investment income earned on those contributions through social security normal retirement age as defined in the plan. The number of years included in highest average compensation is determined by the individual's year of entry to the SERP and by the individual's year of entry to the AdventHealth Executive FLEX Benefit Program. Additionally, AdventHealth has adopted a Senior Executive Death Benefit (SEDB) Plan in recognition of the considerable age and service requirements in the SERP. The SEDB Plan provides a benefit in an amount equal to the amount the executive's benefit would have been under the SERP Plan assuming that, on the date of the executive's death (and not before), the executive satisfied the last of the eligibility requirements of the SERP Plan with present value recognizing an early benefit commencement. An eligible executive becomes a participant in the SEDB Plan if the executive dies prior to termination of employment, provided the executive has not satisfied all of the eligibility requirements of SERP as of the executive's date of death but would have satisfied all of those requirements within five (5) years following death had the executive lived and continued employment. The SEDB Plan was reviewed and approved by the AHSSHC Board Compensation Committee, an independent body of the AHSSHC Board of Directors.
