Form and Line Reference	Explanation
Part VI, Line 6	<p>The hospital, along with Thomas Memorial Hospital, is part of Thomas Health System, Inc. The health system was formed to forge a partnership based on the strength of the two established hospitals. Bringing the two hospitals under the umbrella of the Thomas Health System allows them to provide innovative and cost-effective health care to the Kanawha Valley and surrounding areas. Economies of scale have allowed for cost reductions in numerous areas, while providing advanced technology to a larger community, with access to the highest quality of physicians, nurses and support staff in our service area. The system provides a wide range of services that serves the entire community. In addition to our acute care and outpatient services, our Prime of Life program reflects the services we feel are important to the public health. Saint Francis Hospital is also a faith-based institution which provides spiritual care for its patients. This is the unique difference between Saint Francis and other hospitals in the service area.</p>
