| 5 | ATTACHMENT TO 2018 FORM 990PF - PART IX-A CHARITABLE ACTIVITY | ATTACHMENT TO 2018 FORM 990PF - PART IX-A CHARITABLE ACTIVITY | <p>Templeton Prize (ACTIVITY 1) The Templeton Prize was established in 1972, by the late Sir John Templeton, and each year honors a living person who has made an exceptional contribution to affirming life's spiritual dimension, whether through insight, discovery or practical works. The Prize aims to identify "entrepreneurs of the spirit" - outstanding individuals who have devoted their talents to expanding the Foundation's vision of human purpose and ultimate reality. The Prize celebrates no particular faith tradition or notion of God, but rather the quest for progress in humanity's efforts to comprehend the many and diverse manifestations of the Divine. Men and women of any creed, profession or national origin may be nominated for the Templeton Prize and an independent judging panel of nine distinguished persons determine the winner. The Prize has been awarded to scientists, philosophers, theologians, members of the clergy, philanthropists, writers, and reformers, for work that has ranged from the creation of new religious orders and social-spiritual movements to human sciences scholarship, to research about the fundamental questions of existence, purpose and the origins of the universe. What these remarkable previous Laureates have shared is a commitment to exploring one or more of the Big Questions at the core of the John Templeton Foundation's mandate for breakthroughs in discovery and outreach with direct or indirect relevance to "Spiritual Progress." All have been seekers of wisdom, humbled by the complexity of the human condition but determined to chart a path forward with their ideas and deeds. Some Templeton Prize laureates have demonstrated the transformative power of virtues like love, forgiveness, gratitude, and creativity. Others have provided new insights into scientific or philosophical problems relating to infinity, ultimate reality, and purpose in the cosmos. Still others have used the analytical tools of the humanities to provide new perspectives on the spiritual dilemmas of modern life. The Prize seeks and encourages breadth of vision, and new insights that human beings take their spiritual bearings from a range of experiences. Total Expenses \$750,979</p> <p>Strategic Alliances (ACTIVITY 2) The John Templeton Foundation partners with various other funders to share common interests that expand the impact of our respective work, collaborate on projects, learn from one another's successes, and strategize about areas of common philanthropic interest. The Foundation brings together individual philanthropist, foundations, and corporations to explore possible partnerships. Total Expenses \$552,239</p> <p>Humble Approach Initiative (ACTIVITY 3) The goal of the Humble Approach Initiative is to bring about the discovery of new spiritual information by furthering high-quality scientific research. The Humble Approach Initiative gathers small, interdisciplinary groups of scholars and scientists to exchange ideas about a singularly important theme, advancing high-quality scientific research that creates new spiritual information. The symposia may lead to new ideas for teaching, writing and research about life's biggest questions. Total Expenses \$366,947</p> <p>Templeton Org/Communications (ACTIVITY 4) Templeton.org is the primary communications vehicle to inform various audiences (grant seekers, journalists, opinion leaders, the public) about the work of the John Templeton Foundation, the life and philanthropic vision of its Founder, and the grants and programs sponsored by the Foundation. These topics help provide the latest and most relevant information to the various audiences that frequent the Templeton.org site. Total Expenses \$482,954</p> |
