Form 990 (2019)

Form COO Book III Line 4

Form 990, Part III, Line 4a:

Trinity University, one of the nation's top private undergraduate institutions, is known for its superior academic quality, personalized attention with outstanding faculty, exceptional resources, real-world preparation, and vibrant campus life. Trinity is a community that encourages students to discover, grow, and become passionate, productive individuals. The University completed its 151st academic year on May 31, 2020 and celebrated 77 years of being in San Antonio in September 2019. The University's principal focus is on undergraduate education, but it also offers selected graduate programs in professional fields. In addition, the University provides various research and other sponsored projects as well as public service programs of continuing education, intellectual enlightenment, and cultural enrichment. The University attracts talented and highly motivated students to its predominantly full-time, residential student body. Enrollment was 2,696 annual students for FY20 which represents the full-time equivalent of undergraduate and graduate students; 4.8% of these students come from outside the United States and 73.3% are from within Texas. The University received 9,864 first-year students.

9,864 first-year undergraduate applications for fall 2019 with an acceptance rate of 29%. The University's yield was 23%, generating enrollment of 646 first-year students. The number of applications grew by 14% from the prior year to set a new all-time high record. Underrepresented students comprised 43.9% of the class, including 4.8% foreign students. Net tuition revenues grew 9% from the prior year. Student charges (net tuition, fees, room and board) were \$52.9 million, an increase of \$4.4 million over the prior year. Total scholarships and grants were \$65.4 million. The source of funding for these scholarships includes operating funds, endowment funds and external grants and contribution revenue. Scholarships continue to be one of the fastest growing line items in the Consolidated Statement of Activities, reflecting the University's commitment to providing access to a broad spectrum of students and increased market competition in recent years. Although student tuition continues to increase, net student revenues are growing at a significantly slower pace in recent years due to the increased number of students receiving financial aid and the increase in the average aid package per student. Trinity University completed another strong year in pursuit of its mission to educate and mold the leaders of the future in a residential liberal arts environment. The University is well positioned to complete its robust strategic vision of defining the liberal arts experience for the 21st century.
