Part I Line 2	Participants receiving assistance through one of our many programs must show evidence of need and meet the requirements of the programs. Cash assistance for temporary rental, utility, or other critical assistance is not paid directly to the participant, but rather to the property owner or utility. Case managers are assigned to the participants who monitor the outcomes for those at risk of becoming homeless and those transitioning out of homelessness. The case managers requisition all cash assistance, which is then reviewed by the program director and sent to the fiscal department for final approval to ensure availability of the funds and compliance with grant requirements.
