Form 990, Part III, Line 4a:

PRE- SCHOOL EDUCATION TCCA Head Start/Early Head Start vision statement is to provide quality child services that promote health and development to children and families in our communities, and to foster partnerships with other agencies to meet the needs of diverse families in a rapidly changing world. Head Start/Early Head Start is funded by the Department of Health and Human Services (DHHS), Administration for Children and Families (ACF). Tri-County Head Start/Early Head Start is committed to quality in service our children and families. Integrity, Professionalism and Teamwork is important to each employee and we work hard daily to achieve this goal. Head Start/Early Head Start Birth to Five Program is a comprehensive child development program for children and families who meet the age and income criteria. The program is deeply rooted in providing children with medical, dental, mental health, nutritional and educational services. Tri-County Community Action serves 626 children ages 0-5. The Early Head Start program serves 154 children in a Center Based setting and 40 in a Home Based setting. The Head Start Program serves 109 children in Home Based settings and 323 children in Center Based settings. The programs serve Angelina, Jasper, Newton, Sabine, Shelby, San Augustine, and Tyler Counties. The program also serves 4 expectant mothers through the Home Base program. Head Start takes pride in providing parents with an ongoing source of educational opportunities. Head Start has a successful partnership with the San Augustine Independent School District where we serve 77 Head Start children in four ISD classrooms. San Augustine County is one of the poorest counties in Texas and this relationship has increased community involvement and encouraged the local government to enlist services needed by low income families and provide them in their communities. Tri-County has also partnered with the Mary Jo Gordon Child Development Center (Buckner) where we serve 33 Early Head Start children. Mary Jo Gordon also provides families with homes on campus, training for young mothers, resources to assist parents in becoming self-sufficient, and after care programs for foster children. Head Start also partners with the Foster Grandparent program to in the classrooms at two of our centers. TCCA partners with Agri-life which works with parents and staff in such things as growing gardens, and other activities such healthy life styles recipes, budgeting, and saving with coupons. Tri-County Head Start partners with local college such as Angelina, Stephen F. Austin and Panola to ensure our staff and parents have the educational opportunities to accomplish their goals. Tri-County works with these same colleges to place interns at our Head Start Centers so they can experience quality Child Development Services in the everyday setting. Tri-County is committed to providing excellent educational services to children through working to meet School Readiness goals. Children are assessed 3 times a year and outcomes are monitored, analyzed, and aggregated by the Education Team. Families are kept informed of their child's individual goals and achievements throughout the program year through Home Visits and Parent Conferences. School Readiness and Family Engagement must work closely together to ensure the needs of the entire family are met. This program sets goals for families in seven Outcome areas, Family Well-Being, Positive Parent-Child Relationships, Families as Lifelong Educators, Families as Learners, Family Engagement in Transaction, Family Connections to Peers and Community and Families as Advocates and Learners. Family Outcomes play a huge role in the success of the child and the ability of the family to move forward once they have completed the Head Start Program. TCCA partners with other social service agencies and area resources to ensure parents and community members know what resources are available. TCCA does this through partnerships, MOUs, and joint community events. TCCA hosts a Resource Fair every year in October in each one of our counties which allows us to reach over all our families and families in the community that are not Head Start families, which is over 1500 families sharing information about our services as well as connecting them to other resources in their community. TCCA has also implemented Family Service Advisory meeting twice a year working in a partnership with the School Readiness Leadership Advisory Meeting to get the best outcomes. We connect with all the communities in all the counties, and invite all community vendors to come and share their service and their criteria. Parents are also invited so they can get knowledge of any new resources that are available to them. We had 1172 volunteers for Head Start/ Early Head Start last year. Tri-County is committed to providing excellent educational services through our School Readiness Program and Family Engagement Program. Tri-County Community Action Agency implements coaching with fidelity using the Classroom Assessment Scoring System (CLASS) as an observation tool that aligns with Head Start Performance Standards. Monitoring of the implementation of the CLASS Tool is a key element that contributes sustained quality support and training for education staff. Monitoring, mentoring, and coaching will ensure successful outcomes for all children to achieve school readiness goals set for each. Teaching staff set goals towards professional development as well as utilize training using research based resources, Early Childhood Learning and Knowledge Center (ECLKC), myTeachstone, and Head Start Early Learning Outcomes Framework (ELOF) to provide children with best practices for learning opportunities. The strategy that is being used to ensure every child achieves the desired outcomes and teachers have a continuous professional development is Practice Based Coaching. All teachers work with the Education Specialist Coach, Mentor, and Center Director to complete assigned task through myTeachstone, ECLKC, and the Engaging Interactions and Environments Framework to ensure all teaching staff are successful in preparing their students to become lifelong learners.
