Part X : FIN48 Footnote	<p>The Organization has received a determination letter from the Internal Revenue Service (IRS) indicating it is a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and is subject to federal income tax only on net unrelated business income. Management has determined that the Organization has no current obligations for unrelated business income tax. Accordingly, no provisions for federal and state income taxes are required. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Organization and recognize a tax liability (or asset) if the Organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management has analyzed the tax positions taken by the Organization, and had concluded that as of June 30, 2019 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Organization is subject to routine audits by taxing jurisdiction; however, there are currently no audits for any tax periods in progress.</p>

Grantmaker's Description of How Grants are Used	The organization requires that schools complete an audit process each year where auditors inspect their records and compare what was sent to the schools and where it was applied. The auditors compare that actual amount sent received by the schools with the amount stated in the letter informing the school of the scholarship. If the school does not have the letter then the organization provides a copy to the auditors, with the schools permission.
