Part XII

3(b) Schedule

The private operating foundation is a new organization and is still in a period of gearing up to accomplish its objectives. The foundation has several social justice film projects that require the setting aside of funds so that they may be completed within the time-period required by section 4942(g)(2)(B)(ii) of the IRC—not later than 60 months after the date of the set-aside. The projects will not be completed prior to the end of the taxable year of the private foundation in which the set-side was made. Because this is the first year of the foundation's existence, there are not distributable amounts for prior tax years.

The first year of the foundation's startup period is 2017 so there are no periods for which any reporting can be made with respect to payments made during the start-up period.
