The Summit is designed for creative professionals, lawyers, students interested in film and TV, music, augmented and virtual reality, social media, and video games. It includes interactive panel discussions, presentations, keynote conversation, and networking opportunities. The purpose of the Summit is consistent with the purpose of the Foundation, which is to engage in research and analysis on various social justice and related issues; create and implement strategies to address our country's social justice deficiencies; and catalyze the establishment and maintenance of community-building, article discovery/development, and investing initiatives in the media and entertainment industries (primarily in Utah) for media projects the promote the Foundation's social justice objectives. This includes, among other things, holding community events in collaboration with other Section 501(c)(3) organizations, e.g., the University of Utah.
