Attachment to Form 990PF F/Y/E September 30, 2017

The Foundation received its notification from the Internal Revenue Service that it had been granted tax exempt status, by letter dated August 7, 2017. As was noted on Exhibit C of the Foundation's Form 1023, Application for Recognition of Exemption as filed, the initial funding of the Foundation would take place upon the assumption by Cabell Huntington Hospital, Inc., a nonprofit health care system, of the sponsorship of St. Mary's Hospital, Inc., a nonprofit healthcare institution. At the time the Foundation filed Form 1023, it was expected that this transaction would close before the end of the 2017 calendar year. However, the closing of the transaction was delayed and it is now expected to close on or shortly after April 30, 2018.

Thus, the Foundation did not have any assets or conduct any activity of any kind throughout 2017 and through the first four months of calendar year 2018. Having received notification of tax exempt status less than two months prior to the end of the Foundation's September 30, 2017 fiscal year end and having no assets or business activity before the end of such fiscal year (nor for that matter, from October 1, 2018, through the first four calendar months of 2018), the Foundation did not realize its obligation to file Form 990 PF for the first short fiscal year ended September 30, 2017 and accordingly, inadvertently failed to timely file this Form
