Part VI, Line 2	<p>The Hospital will conduct a community health needs assessment that complies with the guidance set forth by the IRS in Final Regulation Section 1 501(r)-3 The Hospital also has instituted a number of practices and processes to ensure that the filing organization is responsive to the health needs of its community Such practices and processes involve the following 1 A hospital operating/community board composed of individuals broadly representative of the community, community leaders, and those with specialized medical training and expertise, 2 Post-discharge patient follow-up related to the on-going care and treatment of patients who suffer from chronic diseases, 3 Sponsorship and participation in community health and wellness activities that reach a broad spectrum of the filing organization's community, and 4 Collaboration with other local community groups to address the health care needs of the filing organization's community</p>

Form and Line Reference	Explanation
Part VI, Line 3	<p>The Financial Assistance Policy (FAP), Financial Assistance Application Form (FAA Form), and the Plain Language Summary of the Financial Assistance Policy (PLS) of the filing organization's hospital facility are transparent and available to all individuals served at any point in the care continuum. The FAP, FAA Form, PLS, and contact information for the hospital facility's financial counselors are prominently and conspicuously posted on the filing organization's hospital facility's website. The website indicates that a copy of the FAP, FAA Form, and PLS is available and how to obtain such copies in the primary languages of any populations with limited proficiency in English that constitute the lesser of 1,000 individuals or 5% of the members of the community served by the hospital facility (referred to below as LEP defined populations). Signage is displayed in public locations of the filing organization's hospital facility, including at all points of admission and registration and the Emergency Department. The signage contains the hospital facility's website address where the FAP, FAA Form, and PLS can be accessed and the telephone number and physical location that individuals can call or visit to obtain copies of the FAP, FAA Form and PLS or to obtain more information about the hospital facility's FAP, FAA Form and PLS. Paper copies of the hospital facility's FAP, FAA Form and PLS are available upon request and without charge, both in public locations in the hospital facility and by mail. Paper copies are made available in English and in the primary languages of any LEP defined populations. The filing organization's hospital facility's financial counselors seek to provide personal financial counseling to all individuals admitted to the hospital facility who are classified as self-pay during the course of their hospital stay or at time of discharge to explain the FAP and FAA Form and to provide information concerning other sources of assistance that may be available, such as Medicaid. A paper copy of the hospital facility's PLS will be offered to every patient as a part of the intake or discharge process. A conspicuous written notice is included on all billing statements sent to patients that notifies and informs recipients about the availability of financial assistance under the filing organization's financial assistance policy, including the following: 1) the telephone number of the hospital facility's office or department that can provide information about the FAP and the FAA Form, and 2) the website address where copies of the FAP, FAA Form and PLS may be obtained. Reasonable attempts are made to inform individuals about the hospital facility's FAP in all oral communications regarding the amount due for the individual's care. Copies of the PLS are distributed to members of the community in a manner reasonably calculated to reach those members of the community who are most likely to require financial assistance.</p>
Part VI, Line 4	<p>Florida Hospital Ocala, Inc. d/b/a AdventHealth Ocala (AHO or the Hospital) is a 425-bed, full-service acute-care facility that provides healthcare services to residents in Marion County, Florida and the surrounding areas. The main Hospital campus is 640,000 square feet and sits on 15-acres. Within the Hospital network there are two 24/7 ER facilities, one onsite and another offsite, to better meet the needs of Marion County. The onsite ER has both an adult and children's emergency department that has over 50 combined beds with the ability to treat many conditions and injuries. The offsite ER, AdventHealth Timber Ridge ER, is a 24-hour full-service emergency department with 16 private rooms and was the first offsite ER in the state of Florida. The Hospital offers many inpatient services including, labor and delivery through The Baby Place, an Orthopedic unit, a comprehensive cardiovascular surgery unit, and a wound care center. Ocala, Florida is located in Marion County. AdventHealth Ocala's primary service area has a population of approximately 359,977, with an estimated 28.9% over the age of 65. The median household income in Marion County is approximately \$57,652. High school graduates account for approximately 87% of the primary service area. It is estimated that 11.8% of the individuals residing in the primary service area live below 100% of the Federal Poverty Level. Approximately 56.5% of the Hospital's patients from 8/1 - 12/31/18 were Medicare patients, about 13.3% were Medicaid patients, about 7.6% were self-pay patients, and the remaining percentage were patients covered under commercial insurance. From 8/1 - 12/31/18, about 65% of the Hospital's in-patients were admitted through the Hospital's Emergency Department.</p>

Form and Line Reference	Explanation
Part VI, Line 5	<p>The provision of community benefit is central to the filing organization's mission of service and compassion. Restoring and promoting the health and quality of life of those in the communities served by the Hospital is a function of "extending the healing ministry of Christ and embodies the Hospital's commitment to its values and principles." The Hospital commits substantial resources to provide a broad range of services to both the underprivileged as well as the broader community. In addition to the community benefit and community building information provided in Parts I, II and III of this Schedule H, the Hospital captures and reports the benefits provided to its community through faith-based care. Examples of such benefits include the cost associated with chaplaincy care programs and mission peer reviews and mission conferences. During the period from 8/1 - 12/31/18, the Hospital provided \$81,097 of benefit with respect to the faith-based and spiritual needs of the community in conjunction with its operation of a community hospital. The Hospital also provides benefits to its community's infrastructure by investing in capital improvements to ensure that facilities and technology provide the best possible care to the community. During the period from 8/1 - 12/31/18, the Hospital expended \$10,249,471 in new capital improvements. As a faith-based mission-driven community hospital, the Hospital is continually involved in monitoring its community, identifying unmet health care needs and developing solutions and programs to address those needs. In accordance with its conservative approach to fiscal responsibility, surplus funds of the Hospital are continually being invested in resources that improve the availability and quality of delivery of health care services and programs to its community.</p>
Part VI, Line 6	<p>The filing organization is a part of a faith-based healthcare system of organizations whose parent is Adventist Health System Sunbelt Healthcare Corporation (AHSSHC). The system is known as AdventHealth. AHSSHC is an organization exempt from federal income tax under IRC Section 501(c)(3). AHSSHC and its subsidiary organizations operate 44 hospitals throughout the U.S., primarily in the Southeastern portion of the U.S. AHSSHC and its subsidiaries also operate 11 nursing home facilities and other ancillary health care provider facilities, such as ambulatory surgery centers and diagnostic imaging centers. As the parent organization of AdventHealth, AHSSHC provides executive leadership and other professional support services to its subsidiary organizations. Professional support services include among others IT, corporate compliance, legal, reimbursement, risk management, and tax as well as treasury functions. Certain support services, such as human resources, payroll, A/P, and supply chain management are provided pursuant to a shared services model by AHSSHC to its subsidiary organizations. The provision of these executive and support services on a centralized basis by AHSSHC provides an appropriate balance between providing each AdventHealth subsidiary hospital organization with mission-driven consistent leadership and support while allowing the hospital organization to focus its resources on meeting the specific health care needs of the community it serves. The reader of this Form 990 should keep in mind that this reporting entity may differ in certain areas from that of a stand-alone hospital organization due to its inclusion in a larger system of healthcare organizations. As a part of a system of hospital and other health care organizations, the filing organization benefits from reduced costs due to system efficiencies, such as large group purchasing discounts, and the availability of internal resources such as internal legal counsel. Each AdventHealth subsidiary pays a management fee to AHSSHC for the internal services provided by AHSSHC. As a result, management fee expense reported by an AdventHealth subsidiary organization may appear greater in relation to management fee expense that may be reported by a single stand-alone hospital. The single stand-alone hospital would likely report costs associated with management and other professional services on various expense line items in its statement of revenue and expense as opposed to reporting such costs in one overall management fee expense. As the reporting of the Form 990 is done on an entity by entity basis, there is no single Form 990 that captures the programs and operations of AdventHealth as a whole. The reader is directed to visit the web-site of AdventHealth at www.adventhealth.com to learn more about the mission and operations of AdventHealth.</p>

Return Reference	Explanation
Part I, Line 1a	<p>The filing organization is a part of the system of healthcare organizations known as AdventHealth. Members of the filing organization's executive management team that hold the position of Vice-President or above are compensated by and on the payroll of Adventist Health System Sunbelt Healthcare Corporation (AHSSHC), the parent organization of AdventHealth. AHSSHC is exempt from federal income tax under IRC Section 501(c)(3). The filing organization reimburses AHSSHC for the salary and benefit cost of those executives on the payroll of AHSSHC. At the direction of AHSSHC, and in accordance with the reserved powers in the filing organization's governing documents, the executive team listed on Part VII provides services to the filing organization. First-class or charter travel. Pursuant to the AdventHealth system-wide general policy regarding business travel, no reimbursement will be provided for any additional cost incurred with respect to first-class or charter air travel beyond the cost of a regular coach airfare. As a means of providing additional business travel reimbursement for those members of the AHSSHC senior executive management team that travel frequently on behalf of AdventHealth, a special annual travel allowance is provided for those executives. As AdventHealth operates 44 hospitals in 9 states, the senior leadership of AHSSHC travel extensively and often visit multiple hospital locations in different states as a part of a single business trip. The special travel allowance can provide reimbursements to the executive for such items as the purchase of air travel upgrade coupons, to cover the cost differential between coach and first-class travel, or to cover the cost of a charter flight. The special travel allowance benefit was originally authorized by and codified into a policy by the AHSSHC Board Compensation Committee (the Committee), an independent body of the AHSSHC Board of Directors, who also approves the annual cap on the amount of the allowance. The special travel allowance has an annual cap of \$24,000 for members of the Leadership Executive Team (AdventHealth Cabinet - 12 members) and \$15,000 for AdventHealth Corporate Office Senior Vice Presidents, Regional CEO's and Division Chief Officers (generally 20-30 individual executives). The Regional CEO, CFO, CNO and the CEO of AdventHealth's West Florida Region are listed in Part VII for the filing organization. These individuals are considered common law employees of and are on the payroll of AHSSHC. While the special travel allowance benefit is an AHSSHC compensation policy and practice, the cost of providing this benefit is allocated to and reimbursed in part by the filing organization. Accordingly, the filing organization has checked the box in Schedule J, Part I, line 1a for first-class or charter travel since it has partially paid for the cost of providing this benefit. Those executives who receive the special travel allowance are responsible for tracking the expenses reimbursable under the special travel allowance and must submit such expenses on their accountable plan expense report. Any taxable reimbursements made to executives under the special travel allowance arrangement are treated as taxable compensation to the executive. Travel for companions. AHSSHC has a Corporate Executive Policy that provides a benefit to allow for a traveling AHSSHC executive to have his or her spouse accompany the executive on certain business trips each year. Typically, reimbursement is only provided to certain executive leaders and is usually limited to one business trip per year beyond the annual AdventHealth President's Council business meeting and other meetings where the spouse is specifically invited. The AHSSHC Corporate Executive Spousal Travel Policy was originally approved and reviewed by the AHSSHC Board Compensation Committee, an independent body of the AHSSHC Board of Directors. All spousal travel costs reimbursed to the executive are considered taxable compensation to the executive. Tax indemnification and gross-up payments. AdventHealth has a system-wide policy addressing gross-up payments provided in connection with employer-provided benefits/other taxable items. Under the policy, certain taxable business-related reimbursements (i.e., taxable business-related moving expenses, taxable items provided in connection with employment) provided to any employee may be grossed-up at a 25% rate upon approval by the filing organization's CEO and CFO. Additionally, employees at the Director level and above are eligible for gross-up payments on gifts received for board of director services. Discretionary spending account. A nominal discretionary spending amount was provided in the current year to all eligible executives who attend the annual AdventHealth President's Council business meeting (\$500 per executive) or the annual AdventHealth CFO Conference or CMO/CNO business meeting (\$300 per executive). Other discretionary spending accounts may be provided in connection with other AdventHealth sponsored conferences but typically do not exceed \$200 per participant. The payment provided to each executive was considered taxable compensation to the executive. Housing allowance or residence for personal use. AHSSHC has a Corporate Executive Policy that addresses assistance to executives who have been relocated by the company during the year. Relocation assistance provided to executives may include relocation allowances to assist with duplicate housing expenses. Relocation assistance is administered per AHSSHC policy by an external relocation company. Any taxable reimbursements made to executives in connection with relocation assistance are treated as wages to the executive and are subject to all payroll withholding and reporting requirements. Health or social club dues or initiation fees. AHSSHC has a Corporate Executive Policy that addresses business development expenditures. Under this policy, certain AdventHealth eligible executives may be reimbursed for member dues and usage charges for a country club or other social club upon authorization. Club memberships must be recommended by the CEO of the AdventHealth hospital organization and approved by the Chairman of the Board of Directors of the organization. In addition, the proposed membership must be approved annually by the AHSSHC Board Compensation Committee, an independent committee of the Board of Directors of AHSSHC. Eligible executives are limited to certain senior level executives (hospital organization CEOs, the CEO of the nursing home region of AdventHealth, senior vice presidents at three large hospital organizations, regional CEOs and CFOs and the president and senior vice presidents of AHSSHC). In the current year, for this filing organization, two executives listed in Part VII were eligible to receive reimbursement for club fees. The cost of providing any reimbursement for club membership dues is partially allocated to and reimbursed by the tax filing organization. Accordingly, the filing organization has checked the box on Schedule J, Part I, Line 1a for health or social club dues since it has partially paid for the cost of providing this benefit. Each AdventHealth executive who is approved for a club membership must submit an annual report to the AHSSHC Board Compensation Committee that describes how the membership benefited their organization during the preceding year.</p>

Return Reference	Explanation
Part I, Line 3	<p>The individual who serves as the CEO of the filing organization is appointed and compensated by Adventist Health System Sunbelt Healthcare Corporation (AHSSHC). Compensation and benefits provided to this individual are determined pursuant to policies, procedures, and processes of AHSSHC that are designed to ensure compliance with the intermediate sanctions laws as set forth in IRC Section 4958. AHSSHC has taken steps to ensure that processes are in place to satisfy the rebuttable presumption of reasonableness standard as set forth in Treasury Regulation 53.4958-6 with respect to its active executive-level positions. The AHSSHC Board Compensation Committee (the Committee) serves as the governing body for all executive compensation matters. The Committee is composed of certain members of the Board of Directors (the Board) of AHSSHC. Voting members of the Committee include only individuals who serve on the Board as independent representatives of the community, who hold no employment positions with AHSSHC and who do not have relationships with any of the individuals whose compensation is under their review that impacts their best independent judgment as fiduciaries of AHSSHC. The Committee's role is to review and approve all components of the executive compensation plan of AHSSHC. As an independent governing body with respect to executive compensation, it should be noted that the Committee will often confer in executive sessions on matters of compensation policy and policy changes. In such executive sessions, no members of management of AHSSHC are present. The Committee is advised by an independent third-party compensation advisor. This advisor prepares all the benchmark studies for the Committee. Compensation levels are benchmarked with a national peer group of other not-for-profit healthcare systems and hospitals of similar size and complexity to AdventHealth and each of its affiliated entities. The following principles guide the establishment of individual executive compensation: - The salary of the President/CEO of AdventHealth will not exceed the 50th percentile of comparable salaries paid by similarly situated organizations, and - Other executive salaries shall be established using market medians. The compensation philosophy, policies, and practices of AHSSHC are consistent with the organization's faith-based mission and conform to applicable laws, regulations, and business practices. As a faith-based organization sponsored by the Seventh-day Adventist Church (the Church), AHSSHC's philosophy and principles with respect to its executive compensation practices reflect the conservative approach of the Church's mission of service and were developed in counsel with the Church's leadership.</p>

Part I, Line 4b	<p>As discussed in Line 1a above, executives on the filing organization's management team that hold the position of Vice-President or above are compensated by and on the payroll of Adventist Health System Sunbelt Healthcare Corporation (AHSSHC), the parent organization of a healthcare system known as AdventHealth. In recognition of the contribution that each executive makes to the success of AdventHealth, AdventHealth provides to eligible executives participation in the AdventHealth Executive FLEX Benefit Program (the Plan). The purpose of the Plan is to offer eligible executives an opportunity to elect from among a variety of supplemental benefits, including a split dollar life insurance policy and long-term care insurance, to individually tailor a benefits program appropriate to each executive's needs. The Plan provides eligible participants a pre-determined benefits allowance credit that is equal to a percentage of the executive's base pay from which is deducted the cost of mandatory and elective employee benefits. The pre-determined benefits allowance credit percentage is approved by the AHSSHC Board Compensation Committee, an independent committee of the Board of Directors of AHSSHC. Any funds that remain after the cost of mandatory and elective benefits are subtracted from the annual pre-determined benefits allowance are contributed, at the employee's option, to either an IRC 457(f) deferred compensation account or to an IRC 457(b) eligible deferred compensation plan. Upon attainment of age 65, all previous 457(f) deferred amounts are paid immediately to the participant and any future employer contributions are made quarterly from the Plan directly to the participant. The Plan documents define an employee who is eligible to participate in the Plan to generally include the Chief Executive Officers of AdventHealth entities and Vice Presidents of all AdventHealth entities whose base salary is at least \$250,000. The Plan provides for a class year vesting schedule (2 years for each class year) with respect to amounts accumulated in the executive's 457(f) deferred compensation account. Distributions could also be made from the executive's 457(f) deferred compensation account upon attainment of age 65 or upon an involuntary separation. The account is forfeited by the executive upon a voluntary separation. In addition to the Plan, AdventHealth has instituted a defined benefit, non-tax-qualified deferred compensation plan for certain executives who have provided lengthy service to AdventHealth and/or to other Seventh-day Adventist Church hospitals or health care institutions. Participation in the plan is offered to AdventHealth executives on a pro-rata schedule beginning with 20 years of service as an employee of AdventHealth and/or another hospital or health care institution controlled by the Seventh-day Adventist Church and who satisfy certain other qualifying criteria. This supplemental executive retirement plan (SERP) was designed to provide eligible executives with the economic equivalent of an annual income beginning at normal retirement age equal to 60% of the average of the participant's three, five or seven highest years of base salary from AdventHealth active employment inclusive of income from all other Seventh-day Adventist Church healthcare employer-financed retirement income sources and investment income earned on those contributions through social security normal retirement age as defined in the plan. The number of years included in highest average compensation is determined by the individual's year of entry to the SERP and by the individual's year of entry to the AdventHealth Executive FLEX Benefit Program. Additionally, AdventHealth has adopted a Senior Executive Death Benefit (SEDB) Plan in recognition of the considerable age and service requirements in the SERP. The SEDB Plan provides a benefit in an amount equal to the amount the executive's benefit would have been under the SERP Plan assuming that, on the date of the executive's death (and not before), the executive satisfied the last of the eligibility requirements of the SERP Plan with present value recognizing an early benefit commencement. An eligible executive becomes a participant in the SEDB Plan if the executive dies prior to termination of employment, provided the executive has not satisfied all of the eligibility requirements of SERP as of the executive's date of death but would have satisfied all of those requirements within five (5) years following death had the executive lived and continued employment. The SEDB Plan was reviewed and approved by the AHSSHC Board Compensation Committee, an independent body of the AHSSHC Board of Directors.
