Supplemental Information

Return Reference	Explanation
Part V, Line 4 Intended uses of the endowment fund	<p>Endowment funds are used to improve the healthcare of the community as designated by the donors. Legacy follows the guidance in the Uniform Prudent Management of Institutional Funds Act (UPMIFA) in determining the net asset classification of all donor-restricted endowment funds. In accordance with UPMIFA and board policy, assets classified as permanent endowments in accordance with donor intent are only utilized for current period expenditures to the extent that earnings on the endowment exceed the original fair value of the donation. To the extent earnings on endowment funds exceed identified expenditures on which to apply those earnings, the earnings are classified as temporarily restricted net assets. Legacy has adopted investment and spending policies for endowment assets to provide a predictable stream of funding to programs supported by its endowment and to maintain the value of the endowment assets. Asset allocation is reviewed quarterly with respect to: i) Legacy's tolerance for risk based on its financial condition and need for cash from investments to support operations, ii) expected asset class return, risk and correlation characteristics, iii) changes in accounting guidance or tax law and iv) changes in bond covenants or other restrictions. Legacy's spending practices are intended to comply with donor's wishes and meet all applicable laws and regulations. Spending must be for a purpose that is consistent with the documented intent of the donor, and may not exceed the amounts annually determined by Legacy. Factors that are considered in addressing the annual spending allocation are: i) market value of the fund relative to the principal of the gift and ii) the level of spending in prior years. From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires Legacy to retain as a fund of perpetual duration. Deficiencies of this nature are reported as a reduction to unrestricted net assets and are excluded from the performance indicator.</p>

990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Schedule D	<p>Legacy Health (Legacy), EIN 23-7426300, the parent organization for all Legacy Affiliates, pays for all management, general and fundraising expenses of its affiliated foundations. This includes salaries, payments to external contractors, supplies, office equipment, and other administrative expenses. The expenses paid by Legacy are donated to the Foundations as institutional support. This institutional support is included as both revenue and expense on the Foundation's internal financial statements but is not included for Form 990 reporting purposes. Because of this arrangement, there are no management and fundraising expenses, number of employees, employee compensation, or payment to independent contractors reflected on the Foundation's return. The only expenditures, other than grants, are certain special event expenses which are not donated by Legacy but are paid directly by the Foundation and reported on Form 990, part VIII, line 8B. The amount donated by Legacy to Salmon Creek Hospital Foundation for the year ended 3/31/19 to cover management, general and fundraising expenses was \$211,203.</p>
