In 2010, a comprehensive facilities study was performed to evaluate each of the existing hospital campuses and determine the most efficient and effective methods of delivering the safest, highest quality health care. The Planning Committee uses the Community Health Needs Assessment, the Comprehensive Facilities study, as well as market and demographic studies to ensure BCH meets the future health care needs of our community. BCH is completeing a 10 year transitional strategy to consolidate health care delivery in order to meet the needs of the community in a safe and sustainable manner. As of October, 2014 all acute care inpatient services have been consolidated at the Foothills campus. BCH opened a new facility adjacent to the Foothills hospital in the spring of 2019 to move Behavioral Health services, and

opened mid 2019.

Boulder Community Foothills Hospital	are: Chronic disease management and traumatic injury, Mental health including chronic pain

## 990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Section B, Line 15	The Executive Committee of the Board serves as the compensation committee as specified by the bylaws of the hospital. The Executive Committee is comprised of the Chairman, Vice Cha irman, Secretary, Treasurer, President/CEO and two at large members of the Board. The Pre sident/CEO does participate in or vote on compensation matters related to his own compensation. The Executive Committee proposes an Executive Compensation Philosophy for approval by the board, which sets parameters for compensation of the CEO and the Vice Presidents. The Executive Committee (without the CEO) reviews the compensation and benefits of the CEO annually, subject to Board ratification. The CEO sets compensation for the Vice Presidents within the ranges established by the Compensation Philosophy. Compensation outside the approved ranges requires Executive Committee review and approval. The Executive Committee engages a consulting firm to provide comparative compensation studies for similarly qualified executives in functionally comparable positions at similarly situated organizations. Compensation study and performance review are considered in developing executive compensation decisions. Any benefits for executives beyond what is provided to all employees must be consistent with the Compensation Philosophy. All compensation-related meetings of the Executive Committee are formally documented.
