#### Form 990, Part III, Line 4a:

health care and community outreach services to the most vulnerable members of society.

Through a Joint Operating Agreement between CommonSpirit Health f/k/a Catholic Health Initiatives and Adventist Health System Sunbelt Healthcare Corp (Adventist Health System n/k/a AdventHealth), Centura Health Corporation (CHC) provides management services to 17 acute hospital campuses, along with numerous physician practices and clinics. CHC also provides management services to home care, residential, assisted living, long-term and hospice services. CHC was created to establish an integrated health delivery system across Colorado and western Kansas. The facilities operated by CHC are primarily sponsored by AdventHealth and CommonSpirit Health, both of which are religious, nonprofit health systems. In addition to many other functions, CHC has created a common information technology platform that allows greater efficiencies and sharing of information across CHC facilities. This results in an improvement in health care delivery regardless of whether the patient is in a rural or urban area served by Centura facilities. CHC provides direct benefit to the community through various initiatives. From access for the uninsured, to community classes and education, Centura Health Corporation works diligently to coordinate and facilitate the community benefit activities of its facilities and entities. We are passionately responding to the ongoing needs of struggling families to build strong and healthy communities. Some examples of the services we provide include the following: our Ask-a-Nurse Call Center, a free community service for all Coloradoans with a direct link to experienced nurses providing hands-on care, including class scheduling and symptom checker; our two health SETs (Service, Empowerment, Transformation) in Colorado Springs and Denver working to increase access to services for the uninsured and underinsured; and our pastoral nurse program helping to meet the needs of our community's homeless. Through a multitude of education programs, preventive care and safety initiatives, health advocacy,

counseling and support groups, the facilities and entities that form the Centura Health Corporation family are more committed than ever before to making our world a better place. The cost savings realized by this coordinated community benefit model enables Centura facilities and entities to dedicate additional resources to provide high-quality

Supplemental Information. Provide the information required in Part I, line 2; Part III, column (b); and any other additional information.

Grants are generally made only to the supported hospital organizations and/or their supporting Foundation organizations that are exempt from federal income tax under IRC Section 501(c)(3), or to other local charitable community organizations. Accordingly, the filing organization has not established specific procedures for monitoring

the use of grant funds in the United States as the filing organization does not have a grant making program that would necessitate such procedures.

Schedule J (Form 990) 2018

PAHS is one of the two members of the filing organization. All spousal travel costs reimbursed to the executive are considered taxable compensation to the executive. Tax Indemnification and gross-up payments: CHC has a system-wide policy addressing gross-up payments provided in connection with employer-provided benefits/other taxable items. Under the policy, certain taxable business-related reimbursements (i.e. taxable business-related moving expenses) provided to any employee may be grossed-up upon approval by the filing organization's CEO and CFO. Discretionary spending account: A cash discretionary spending account was provided in the current year to eligible executives in the form of a car allowance of \$750 per month to help offset business travel expense. Other discretionary spending accounts may be provided in connection with attendance at conferences but typically do not exceed \$300 per participant. Taxable travel and other spending accounts are considered taxable compensation to the executive. Housing allowance or residence for personal use: CHC has a Corporate Executive Policy that addresses assistance to executives who have been relocated by the company during the year. Relocation assistance is administered per CHC policy by an

	Part I, Line 4a: During the year ending December 31, 2018, Pam Nicholson and Margaret Sabin received severance payments in the amounts of \$181,632 and \$1,578,806 respectively. Pursuant to the CHC Corporate Executive Policy governing executive severance, severance agreements for executives operating at the Vice President level and above are entered into upon eligibility to facilitate the transition to subsequent employment following an involuntary separation from employment with CHC. Part I, Line 4b: Senior executives on the filing organization's management team that hold the position of Senior Vice-President or Hospital CEO are eligible to participate in the CHC EXECU-FLEX Benefit Plan (the Plan). In recognition of the contribution that each executive makes to the success of CHC, CHC provides for participation in the Plan to the eligible executives. The purpose of the Plan is to offer an opportunity to elect from among a variety of supplemental benefits to individually tailor a benefits program appropriate to each executive's needs. The executive is provided with a Flex allowance equivalent to 10% of base salary to purchase selected benefits and to contribute into a deferred non-qualified supplemental executive retirement plan. The Plan provides for a five-year cliff-vesting schedule with respect to amounts accumulated in the executive's deferred compensation account. CHC contributes into these deferred compensation accounts semi-annually and amounts are subject to a substantial risk of forfeiture with active participation required at time of vesting. In addition, CHC provides a Pension Restoration Benefit (PRB) to restore qualified plan contributions lost on income in excess of the current federal maximum allowable compensation to a qualified plan. The PRB provides contributions by restoring the amounts are added to the participant's flex allowance each year based on their total compensation from the prior year.
