Form 990 (2016)

Form 990, Part III, Line 4a:

The 2016-17 school year was a strong one for THA. Enrollment ended the year at 159 students, an increase of two students from the 15-16 year, and a new high for THA. Our 8th grade graduating class numbered 23, and we are proud to note that nine of the eleven students from that class applying to University High School were accepted. Twenty-one students and three chaperones attended the annual Israel Experience trip, traveling to Israel in May. Upper School Math saw positive changes through a curriculum overhaul. Under the new system, 6th graders are learning geometry, and 8th graders are studying pre algebra. THA continued to build on the work with Gifted and Talented students begun in 2015-16. Grant funding received during the year allowed for increased programming in the Orthodox Jewish education track. Three additional classrooms received updated Smartboards, allowing for enhanced instructional opportunities. In March, THA once again hosted Southern Arizona's largest STEM Festival, connecting 45 science, technology, engineering, and math vendors and researchers with 1,500+ attendees. The THA organization continues to improve the infrastructure that supports our students learning. An updated student management system served to streamline the grading, attendance, and information distribution systems. The organization's largest single fundraising event, Tikkun Olam, exceeded both the expected attendance and financial goals. A new and updated website was launched during the year, and the framework was put in place to create an alumni database, with work anticipated through grant funding which will fund the new Marketing and Community Outreach Coordinator during the following school year. A new Director of Finance began in June, 2017. THA continues to grow and change to meet the needs of our student population, while creating an environment for learning that strongly supports our established mission.
