## Supplemental Information

Return Reference	Explanation
Part X, Line 2:	MSAN is a not-for-profit corporation as defined in Section 501(c)(3) of the Internal Revenue Code and is exempt from federal income taxes. The Organization recognizes the financial statement benefit of a tax position only after determining that the relevant tax authority would more likely than not sustain the position following an audit. For tax positions meeting the more-likely-than-not threshold, the amount recognized in the financial statements is the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement with the relevant tax authority. Management believes there are no amounts subject to unrelated business income tax and, therefore, no provision for income taxes has been recorded in the accompanying combined financial statements.
