Supplemental Information

Return Reference	Explanation
FIN 48 (ASC 740) FOOTNOTE	<p>Schedule D, Part X, Line 2 The organization accounts for income taxes using the asset and liability approach, which can result in recording tax provisions or benefits in periods different than the periods in which such taxes are paid or benefits realized. Deferred income taxes are recorded for the difference between the book and tax basis of various assets and liabilities, which can provide for current recognition of expected tax benefits from temporary differences that will result in deductible amounts in future years. It has been determined by the IRS that the Organization qualifies as a tax-exempt organization under Section 501(c)(3) as described in Section 170(b)(1)(A)(vi) of the Internal Revenue Code (IRC), and accordingly, there is no provision for income taxes in the accompanying financial statements. The organization has been classified as an organization that is a public charity. For tax purposes, income determined to be unrelated business income would be taxable. Tax positions taken related to the organization's tax-exempt status and other miscellaneous tax positions have been reviewed. Management is of the opinion that material positions taken by the organization would be upheld under examination. Accordingly, the organization has not recorded an income tax liability for uncertain tax positions as of June 30, 2018 and June 30, 2017 and does not anticipate a significant change for the following twelve months. The organization is subject to tax examination by the federal and Arizona state jurisdictions, which generally remain open for three and four years, respectively.</p>
