## Explanation of Nondiscrimination Policy:

The organization operates seven international schools in the People's Republic of China and one in the United Arab Emirates . Each school accepts students regardless of race, color or national origin in accordance with the organization's non-discrimination policies.

However, schools must operate in strict accordance with Chinese and UAE law, which limits admission to children from the International community. Schools are open to all international students, regardless of race, color or national origin, if they are permitted to attend under Chinese or UAE law. It would not be appropriate or feasible for the schools to use general circulation print or broadcast media to solicit students or to publicize admissions policies because they are read primarily by those whose children cannot attend international schools. The required non-discrimination notice is included on school websites, brochures, advertising materials and documents. All schools have very diverse student bodies, including international students from over 40 nations.
