PART I, LINE 7 COSTING METHODOLOGY	SMC/SC UTILIZES A COST ACCOUNTING SYSTEM THAT DETERMINES COSTS FOR PROVIDING MEDICAL SERVICES BASED ON THE ORGANIZATIONS RELATIONSHIP OF COSTS TO CHARGES

## 990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
PART III, LINE 2 BAD DEBT EXPENSE	Bad debt expense is estimated by utilizing historical data (based on zero balance study) and the expected net collections of self-pay patients. In making this estimate, Management also considers business and general economic conditions of the communities in its service area.

**990 Schedule H, Supplemental Information**

Form and Line Reference	Explanation
PART III, LINE 4 BAD DEBT EXPENSE	<p>SMC is included in the VHS consolidated audited financial statements. Health care services are provided free of charge or at a significant discount based on a sliding scale to individuals who meet certain financial criteria. VHS makes an effort to determine if a patient qualifies for charity care upon admission. If a patient is determined to qualify for charity care, services are rendered to the patient free of cost. The costs of providing these services are included in unsponsored community benefit expense and included as a deduction to net patient service revenue in the consolidated statement of operations. VHS estimates the cost of charity care by calculating a ratio of cost to usual and customary charges and applying that ratio to the usual and customary uncompensated charges associated with providing care to patients that qualify for charity care. The amount of charity care at cost was \$10,444 and \$13,981 for the years ended June 30, 2017 and 2016, respectively. After satisfaction of amounts due from insurance and the application of financial discounts to patients' balances, and after exhausting all reasonable efforts to collect from the patients, a significant portion of VHS's uninsured and self-pay patient accounts are referred to third-party agencies based on VHS's established guidelines for further collection activities. As a result, VHS records a significant provision for doubtful accounts related to these uninsured patients in the period the services are rendered based on historical collection experience. As part of VHS's mission to serve the community, VHS provides care to patients even though they may lack adequate insurance or may participate in programs that do not pay full charges. Reserves for charity care and uncollectible amounts have been established and are netted against patient accounts receivable in the consolidated balance sheets.</p>

Form and Line Reference	Explanation
PART III, LINE 8 MEDICARE	<p>As a not-for-profit hospital it is our mission to improve the health status of all people within our community and provide healthcare to all patients regardless of their ability to pay or their insurance status SMC and SC accept Medicare which results in shortfalls in the costs for caring for patients utilizing this program We utilize a cost accounting system that determines costs for providing medical services based on the organizations relationship of costs to charges The entire shortfall shown on Part III, Line 7 should be reflected as a community benefit</p>

**990 Schedule H, Supplemental Information**

Form and Line Reference	Explanation
PART III, LINE 9B COLLECTION POLICY	<p>SMC/SC follows the Collection Practices as outlined in VHS Charity Care and Financial Discount and Financial Assistance operating policies. For patients who qualify for charity care and financial discount, SMC/SC provides the patient with a written notice prior to commencing collection activities. The notice states that nonprofit counseling services may be available in the area and provides information concerning state and federal law requirements for debt collectors. SMC/SC does not pursue legal action for non-payment of bills against any household where the primary wage earner(s) is unemployed or there are not significant income sources. SMC/SC does not assign patients meeting an agreed upon monthly payment plan to a collection agency and does not report the patient to credit bureaus. SMC/SC does not report adverse information to a consumer credit agency or commence civil action for nonpayment of a patient debt prior to 150 days after the initial billing of the patient. SMC/SC does not use wage garnishments or liens on real property as a means of collecting unpaid hospital bills for eligible patients. SMC/SC expects its external collection agencies to not pursue legal action against an eligible patient without prior approval from SMC/SC. SMC/SC expects its external collection agencies to follow Fair Debt and Collection Practices, Assembly Bill AB774 and act in a manner that treats individuals with dignity, respect and compassion. In addition, for patients who qualify for financial assistance, SMC/SC does not pursue legal action for non-payment of bills against any household where the primary wage earner(s) is unemployed, uninsured or there are not significant income sources or assets. SMC/SC does not assign eligible patients meeting an agreed upon monthly payment plan to a collection agency and does not report the patient to credit bureaus. SMC/SC does not use liens on real property as a means of collecting unpaid hospital bills for eligible patients.</p>

Form and Line Reference	Explanation
PART VI, QUESTION 2 NEEDS ASSESSMENT	<p>In an effort to identify the most critical health care needs in SMC/SCs service area, a Co mmunity Needs Assessment is conducted every three years. The annual SMC/SC Community Benefit it Plan ("CBP") is developed through (1) analysis of San Mateo County health indicators, a nd (2) review of the accomplishments of CBP goals. SMC and SC Community Advisory Committee ("CAC") members meet semi-annually to receive updates on the accomplishments on the CBP g oals and participate in discussions concerning community health. Annual CBP reports are pr esented to the SMC Board and Finance and Audit Committee for review, discussion and approval. Analysis of State, County and local health indicators are conducted through the review of the Fiscal Year 2016 (tax year 2015) Community Health Needs Assessment. Health and Qua lity of Life in San Mateo County, a group of San Mateo County organizations interested in the communitys health, worked together to conduct the FY 2016 Community Needs Assessment o f San Mateo County as follow-up to assessments conducted in 1995, 1998, 2001, 2004, 2008, 2011 and 2013. A copy of the complete Community Needs Assessment, is available on the Inte rnet on the County Website or Peninsula Library System website at <a href="http://plsinfo.org/healthysmc">http://plsinfo.org/healthysmc</a>. The FY2016 Community Health Needs Assessment. Health &amp; Quality of Life in San Mateo County is designed to serve as a tool for guiding policy and planning efforts, and to for mulate strategies to improve the quality of life. For participating hospitals, the informa tion in this assessment will serve to assist in developing Community Benefit Plans pursuan t to Legislative Bill 697. The goals of the Community Collaborative are twofold: 1. To pro duce a functional, comprehensive, triennial community needs assessment that can be used for strategic planning of community programs throughout the County and as a guideline for po licy and advocacy efforts, and 2. To promote collaborative efforts in the community to dev elop projects to improve the health of our communities based on the data, community input, and group consensus.</p> <p>Healthy Community Collaborative Members - Sequoia Hospital - San Ma teo County Health Department - Health Plan of San Mateo - Hospital Consortium of San Mateo County - Kaiser Permanente, San Mateo Area - Lucile Packard Childrens Hospital at Stanfor d - Mills-Peninsula Health Services - Peninsula Health Care District - San Mateo County He alth Department - San Mateo County Human Services Agency - San Mateo Medical Center - Seto n Medical Center - Silicon Valley Community Foundation - Stanford Hospital &amp; Clinics. The F Y2016 Community Health Needs Assessment. Health &amp; Quality of Life in San Mateo County highlights that in many areas San Mateo County residents are healthier than in many other plac es. However, the data also demonstrates that preventable diseases are on the rise and so w e must do more to prevent these diseases from occurring in the first place. It also shows that health is not distributed evenly across the population and there are many communities that still do not experience good health and a high quality of life. The following health needs were generated from the primary and secondary data as well as input from focus grou p participants. The focus groups and interviews occurred in August 2016.</p> <p>Seton Medical Cen ters Prioritized Community Needs are: 1) Obesity 2) Diabetes 3) Cardiovascular disease, he art attack, stroke 4) Cancer 5) Births. PART VI, QUESTION 3 PATIENT EDUCATION OF ELIGIBILITY FOR ASSISTANCE	<p>Patients who present at SMC/SCs Emergency Department and SMC/SCs Admitting Department are provided with a financial assistance packet that consists of an informational flyer on various programs for which they may be eligible. The flyer is in English, Spanish, Tagalog, and simplified Chinese. The packet includes a Medi-Cal application, as well as a Charity Care application. In addition, there are signs posted in English and Spanish in the Patient Financial Services department and at every point of registration stating that SMC/SC has financial assistance and charitable programs available for qualified low income, uninsured patients who may not have the ability to meet the financial obligation of their hospital services and a contact number to call. After discharge, the back of the monthly patient bills includes this same statement.</p>

PART VI, QUESTION 4 COMMUNITY INFORMATION	<p>DEMOGRAPHICS Seton Medical Center is a major tertiary care center, serving northern and central San Mateo County and the most southern part of San Francisco County. Seton Coastsides in Moss Beach provides the only 24-hour physician-staffed standby emergency department on the coast between Daly City and Santa Cruz. Seton Coastsides also provides a skilled nursing unit, an acute-care unit, radiology, laboratory, and rehabilitative services. Seton Coastsides service area constitutes a large geographic area that extends 45 miles from Montara south to the Santa Cruz County line. San Mateo County is clearly one of California's richly ethnically diverse counties. The Asian/Pacific Islander population and Hispanic/Latino population are primarily clustered in Northern San Mateo County and along the Coast. In Daly City, a primary service area of Seton, 52% of the residents are foreign born residents and 68.1% of persons over the age of five speak a language other than English at home. South San Francisco, the second largest service area of Seton has 42.9% foreign born and 60.3% of persons over the age of five speak a language other than English at home. While other age groups will decrease in terms of percent of county population (0-19 years, 20-39 years, 40-59 years) from 2010 to 2050, those 60 years and older will increase from 18.9 percent to 30.9 percent. Asian/Pacific Islander and Hispanic seniors will comprise the largest proportion of seniors in San Mateo County in 2050. At the other end of the age spectrum, the ethnic makeup of children under the age of 15 years is projected to be Hispanic, Asian/Pacific Islander, White, Black and multi-race in 2050. In 2010, median earnings for San Mateo County residents aged 25 years and older was \$47,060. Real per capita income in San Mateo County in 2010 was \$68,582, and the average weekly wages in 2010 were \$1,450, down 13% from 2000. According to the American Community Survey (U.S. Census Bureau), from 2006-2010, the percentage of SMC individuals below poverty level was 7 percent with 9.1 percent of children under the age of 18 below the poverty level. According to the Family Economic Self-Sufficiency Standard, a more realistic measure of poverty in SMC takes local conditions like cost of living into consideration, a single parent with two children must earn approximately \$78,000 annually to meet the family's basic needs, the equivalent of nearly five, full-time minimum wage jobs. According to the Elder Index, 36 percent of seniors struggle to cover basic expenses and, if their annual income exceeds federal poverty guidelines (\$10,830), they may be ineligible for public assistance programs.</p>

PART VI, QUESTION 6 AFFILIATED HEALTH CARE SYSTEM	<p>Prior to December 14, 2015, Seton Medical Center was a part of Daughters of Charity Health System ("DCHS"), a regional health care system of hospitals and medical centers spanning the California coast from the San Francisco Bay Area to Los Angeles, formed and operated as religious corporations. In July 2015, DCHS selected Blue Mountain Capital Management LLC, a private investment firm, to recapitalize its operations and transition leadership of the hospital system to the new Verity Health System. In July 2017, Nantworks took over the management of the Verity Health System. The transaction was approved by the California Attorney General on December 14, 2015, whereby Daughters of Charity Health System amended its name to Verity Health System of California, Inc. (VHS), and Verity Health System and all of its nonprofit corporate affiliates (including OCH) changed status from religious corporations to public benefit corporations under the California Nonprofit Corporation Law. As a non-profit, non-religious health care system, Verity Health System seeks to build on the rich legacy left by the Daughters of Charity Health System. Today, Seton Medical Center continues the tradition of patient-centric, quality health care to our entire community. Recognized for its stroke treatment, cardio-vascular excellence, including STEMI certification, Seton offers a comprehensive range of medical specialties on both an inpatient and outpatient basis, as well as emergency services. For FY 2017, Seton had 3,988 surgeries, 45,242 patient days, 5,695 discharges, 23,478 ED visits. There are 830 FTEs. Seton Coastsides continues to offer skilled nursing care to 116 inpatient residents year-round, in addition to meeting the healthcare needs of our patients, and the surrounding coastal community. Our dedicated staff of interdisciplinary healthcare team professionals provide excellent and comprehensive healthcare. Seton Coastsides operates the only 24-hour standby Emergency Department from Daly City to Santa Cruz, which is well-equipped and staffed to serve the needs of our community. Key medical services include physical, occupational and speech therapies, radiology, mammography and laboratory.</p>

Form and Line Reference	Explanation
PART V, SECTION B, LINE 11	<p>SMC and SC's Community Benefit Implementation Plan is driven by the Seton Medical Center Executive Team and the Community Advisory Committee. The Seton Medical Center Community Advisory Committee ("CAC") members have been meeting quarterly for nearly 20 years to review community needs and identifying the community benefit plan. CAC members are leaders in the community representing schools, places of worship, community services and businesses, who meet quarterly to discuss the community benefit plan and receive updates on the accomplishments of the CBP goals and objectives. The plan was also presented to the SMC Board for review, discussion and approval. The 2016 implementation plan was developed based on the San Mateo County Community Needs Assessment and a review of the hospitals existing community benefit plan. The CAC reviewed the summary of the 2016 San Mateo Community Needs Assessment and participated in the San Mateo County Healthy Community Collaborative Focus Group health needs prioritization. The Health Needs SMC and SC will address include:</p> <ol style="list-style-type: none"> <li>1. Obesity</li> <li>2. Diabetes</li> <li>3. Cardiovascular disease, heart attack, stroke</li> <li>4. Cancer</li> <li>5. Births</li> </ol> <p>Obesity, diabetes, cardiovascular disease, heart attack, and stroke are health needs as the percentage of people who have diabetes is rising, there are a low and declining percentage of people who exhibit healthy behaviors, and the percentage of people who exhibit more than one risk factor cardiovascular disease is increasing (high blood cholesterol, blood pressure, diabetes, smoking, diet, no exercise, alcohol consumption, and family history). To combat these factors, SMC and SC have outlined the following strategies:</p> <ul style="list-style-type: none"> <li>- Promote exercise and "Instant Recess" at health events, local faith-based organizations, schools, community centers, Community Day, Streets Alive, and Parks Alive</li> <li>- Provide low cost cholesterol and diabetes laboratory screenings at SMC and community events</li> <li>- Provide blood pressure screenings and educational presentations at health fairs</li> <li>- Provide diabetes education (including tips to manage diabetes), diabetes support groups, nutrition information, glucose monitoring information, diabetes meter instructions, and wound care education</li> <li>- Provide nutrition education regarding the sugar content in food and beverages, reducing salt intake, education for health Filipino and African American cooking, healthy food choices, and an over eater's support group</li> <li>- Promote development and implementation of work place/school wellness policies</li> </ul> <p>Through these actions, SMC and SC seek to decrease the percentage of people that exhibit one or more risk factors for cardiovascular disease and increase the percentage of community members which exhibit the four health behaviors: exercise, maintaining a healthy weight, eating 5 fruits and vegetables a day, and not smoking. Success in this area will be measured by benchmarks and outcome indicators outlined in the full implementation strategy. Cancer is a health need as</p>

**Section C. Supplemental Information for Part V, Section B.** Provide descriptions required for Part V, Section B, lines 2, 3j, 5, 6a, 6b, 7d, 11, 13b, 13h, 15e, 16j, 18e, 19e, 20e, 21c, 21d, 23, and 24. Form and Line Reference	Explanation
PART V, SECTION B, LINE 11	<p>breast, cervical, colorectal, and prostate cancer incidences are all failing benchmarks in San Mateo County To combat this, SMC and SC have outlined the following strategies - Continue to promote healthy behaviors - Promote early detection screenings internally and at health events - Identify low cost screening opportunities in the community - Identify and establish additional cancer support groups, as needed Through these actions, SMC and SC seek to encourage individuals to adopt healthy lifestyles and increase access to early detection screenings Success in this area will be measured by benchmarks and outcome indicators outlined in the full implementation strategy Women of some ethnicities continue to receive inadequate prenatal care To combat this, SMC turns to the Elizabeth Ann Seton New Life Center, which will provide (with language capacity and cultural sensitivity) all inclusive perinatal services for low income, pregnant women Additionally, the Elizabeth Ann Seton New Life Center provides quality prenatal care and delivery, education and appropriate referrals to each mother during the entire pregnancy and 60 days post-partum Looking forward, SMC seeks to increase outreach to the Pacific Islander population about the importance of pre-natal care and the New Life Center In doing so, more pregnant women that are Pacific Islander will access pre-natal care Success in this area will be measured by benchmarks and outcome indicators outlined in the full implementation strategy SMCs implementation strategy does not target as actionable for intervention by SMC all of the health priority needs that were identified during the assessment because of limited resources and the availability of other providers in the community with more capacity/expertise to address those needs SMC provides referrals to programs offered in the community addressing the identified needs and will continue to collaborate with the community services and resources that address these top community health needs (1) Asthma &amp; Respiratory was not identified as one of the top five priorities by CAC due to a lack of resources to expand services SMC provides asthma and respiratory direct service programs that address these health needs and refers to community resources (2) Substance Abuse SMC does not have the resources to provide direct services for substance abuse treatment/prevention SMC provides referrals to community partners/programs addressing substance abuse, including Alcoholic, Anonymous, Alateen Recovery, Asian American Recovery Services, Catholic Charities, El Centro de Libertad, Pyramid Alternatives, StarVISTA, Sitike Counseling Center, Womens Recovery Association (3) Poor Oral Health SMC does not have the resources to provide a dental program Referrals are made to community based programs, including Sonrisas and the County Health Department (4) Violence SMC does not have the resources to provide direct services SMC partners with community programs</p>
