Statement 23 Form 990-PF Part XV, Line 2(a)-(d)

How do you apply?

Step 1: Determine you eligibility
The Y&H Soda Foundation supports organizations whose work qualifies as charitable,
according to the IRS definition. This includes organizations with a 501(c)3 status,
public agencies and projects sponsored by public charities. Additionally, the work
must serve the residents of Alameda and Contra Costa Counties. We do not make
grants to individuals.

Step 2: Determine your project's fit with our goals Review our strategic priorities and funding strategies within those areas; key elements of a successful application and a list of previous grants to determine whether your efforts align with our strategies and achieve our desired outcomes.

Step 3: Contact the Foundation Please send us an email (program-assistant@yhsodafoundation.org) with the name of your organization, your contact information and identify which of our strategic priorities and funding strategies that you feel is aligned with your programming. We try to respond to inquiries within 10 business days. If you do not have a response from us after 2 weeks, please contact us by phone at (925) 631-1133.

If we determine that your project aligns with our strategies, then we will invite you to submit an application for funding.

Step 4: Submit a Grant Application (by invitation only)
If selected, program staff will invite you to submit a grant application. Grant applications are submitted online through our password protected grantee portal.

Please note that program staff perform detailed due diligence which may include but is not limited to program and financial assessment, a site visit, and follow-up meetings with key staff. The due diligence process can take 2-3 months to conduct before bringing a funding recommendation to our Board of Directors. Foundation staff will keep in touch with you during this process to keep you informed of the status of your request.

Step 5: Grant application review and funding determination Program staff will notify you if your grant request will be presented to the Board of Directors and when to expect a decision. The Board meets monthly to make final funding decisions.

Key Elements of Successful Grant Applications

In reviewing applications from prospective grantees, the Y&H Soda Foundation looks for a broad array of key elements. These are typical characteristics that encompass most projects, though the Foundation recognizes that each project may not have every element present due to the nature of its scope of work.

East Bay Impact Central to the mission of the Y&H Soda Foundation is a commitment to supporting the underserved in Alameda and Contra Costa Counties. Projects and programs must significantly impact the underserved in the East Bay.

Clear Outcomes and Accountability
The Foundation expects to find the following elements in proposed projects:
•Strategies incorporate and reflect learning from related projects and the

Y & H Soda Foundation

94-1611668

•Existence of accurate baseline data on the defined problem.
•A statement of the anticipated impact and outcomes of the program and detail on how progress will be measured.

·Demonstration of how East Bay residents will benefit as a result of the

Organizational Practices

Organizational processes and procedures are transparent, accountable and effective.

*Organizations working with the richly diverse population of the East Bay value and understand different cultures, languages and needs.

*A well-articulated work plan and budget that fits the project's stage of

development.

Committed Partners

Alleviating poverty cannot be done in isolation. We look for opportunities to value and build upon a wide range of partnerships addressing the work.

•Evidence of collaboration and cooperation. In these instances, projects draw on the expertise, resources and capabilities of each of the partners.

•Financial commitment from the partners is particularly compelling.
