Fairchild Medical Center strives to provide for the health needs of its underinsured and uninsured patients. Although reimbursement for services rendered is critical to the operation and financial stability of Fairchild Medical Center, it is recognized that not all individuals possess the ability to purchase essential medical services, and further, that our mission is to serve the community with respect to providing healthcare services and education. Therefore, the Hospital is committed to serving all members of its community through consideration of free care and/or subsidized care, care provided to persons covered by governmental programs at below cost, health activities and programs to support community, where the need and/or individuals inability to pay coexists. Recognizing its mission to the community, services are provided to both MediCare and MediCal patients. The Hospital realized MediCal/CMSRP payments below the cost the hospital incurs to provide the service of \$7,959,152. To the extent reimbursement is below cost, Fairchild Medical Center recognizes these amounts as a service to the community in meeting its mission. Fairchild Medical Center currently has Medicare reimbursement reduced 2% to an amount below cost. In 2016, reimbursement was reduced \$131,243. The Hospital maintains a Charity Care Policy which defines how partial and/or full charity care will be based on the individuals ability to pay as defined by Federal Poverty Income Guidelines utilizing a sliding scale. Confidentiality of information and the individuals dignity are paramount. The cost to provide this service to our community is \$50,460. Hospital Administration and staff are called upon to speak before community organizations on a variety of healthcare topics. The Hospital remains focused on maintaining accreditation through the Joint Commission on Accreditation of Healthcare Organizations. The Hospital recruited and hired a Performance Improvement Risk Manager to assist in this endeavor. The Manager also focuses on Patient Safety issues within the Hospital. Administration continues to focus attention on Corporate Compliance issues as well as the Health Insurance Portability and Accountability Act of 1996 (HIPAA). The Hospital's Hospitalist program continues to provide a continuity of care to those patients admitted to the Hospital. Various hospital staff served on many community and statewide committees promoting the advancement of healthcare. The costs of these activities have been subsidized by Fairchild Medical Center. (See Attachment) Fairchild Medical Center offers various seminars on health related issues to the community for free. The Community has supported the charitable purposes of Fairchild Medical Center through various donations of money as well as services. Through the community supported auxiliary organizations services valued at over \$108,116 for patient comfort and support were provided. Fairchild Medical Center Auxiliary provides a patient transport van to transport patients that need healthcare services. These donations provided a direct benefit to the community through lower costs in both patient services and other wellness programs such as those described previously. Part X FIN48 Footnote	<p>The Corporation, Hospital and Foundation have been recognized as exempt from income tax under Section 501 of the Internal Revenue Code and a similar provision of state law. However, they are subject to federal income tax on any unrelated business taxable income. SOMI and TVI are subject to state and federal income taxes. SOMI and TVI account for income taxes in accordance with income tax accounting guidance (Accounting Standards Codification (ASC) 740, Income Taxes). The income tax accounting guidance uses an asset and liability approach which requires the recognition of deferred taxes for the expected future tax consequences of temporary differences between tax bases and financial reporting bases of assets and liabilities. At December 31, 2016 and 2015, SOMI and TVI had gross deferred tax assets related to net operating and other loss carryforwards. Valuation allowances have been established for the 11 deferred tax assets since SOMI and TVI believe it is more likely than not that the tax benefits will not be realized. The Corporation, Hospital, Foundation, SOMI and TVI file tax returns in the U.S. federal jurisdiction.</p>
