Part X : FIN48 Footnote	<p>The Corporation, Hospital and Foundation have been recognized as exempt from income tax under Section 501 of the Internal Revenue Code and a similar provision of state law. However, they are subject to federal income tax on any unrelated business taxable income. SOMI and TVI are subject to state and federal income taxes. SOMI and TVI account for income taxes in accordance with income tax accounting guidance (Accounting Standards Codification (ASC) 740, Income Taxes). The income tax accounting guidance uses an asset and liability approach which requires the recognition of deferred taxes for the expected future tax consequences of temporary differences between tax bases and financial reporting bases of assets and liabilities. At December 31, 2019 and 2018, SOMI and TVI had gross deferred tax assets related to net operating and other loss carryforwards. Valuation allowances have been established for the deferred tax assets since SOMI and TVI believe it is more likely than not that material tax benefits will not be realized. The Corporation, Hospital, Foundation, SOMI and TVI file tax returns in the U.S. federal jurisdiction.</p>
