### Form 990, Part III, Line 4a:

See Schedule O Renown Health is Reno's only not-for-profit hospital. Community support and partnership are essential to the services we provide and donor contributions of any size make a significant impact on our community. Renown Health Foundation, founded in 1985, carries forward an essential tradition - pairing donor support with our community's most vital needs. When you support Renown Health Foundation, your gift stays here to fund and support patients through enhanced prevention and education programs, state-of-the-art equipment, and important medical research. The Foundation also maintains a patient assistance fund to help reduce some of the barriers of accessing healthcare for our neediest families and children. Here are a few recent projects and programs that show the impact of your generosity: \* Spiritual Center & Estelle J. Kelsey Interfaith Sanctuary \* Children's Infusion Services \* Healing Arts Program \* Child Life Program \* Healthy Nevada Project. Currently, Renown Health Foundation is focusing on funding support services that will address critical behavioral health and addiction issues in northern Nevada, a Hospice House program that will offer a special way of caring for patients and families facing end of life issues, and expanding the current Neonatal ICU where a specialized team cares for babies born too early or too sick. For the fiscal year ending June 30, 2018, Renown Health Foundation, along with its parent, Renown Health and its subsidiaries, provided more than \$126 million in benefit to the community (using community benefit numbers gathered by the Nevada Hospital Association using state-approved criteria to ensure consistency). For a full report on the benefit Renown Health provided to our community, as well as our community needs assessment and community benefit plan, go to [www.renown.org/communitybenefit](http://www.renown.org/communitybenefit)

Part I, Line 2	For Part II- Organizations provide the Foundation with a request that details their financial needs. If the requests are approved, funds are paid directly to the vendors, so no ongoing monitoring is necessary for this type of assistance. For Part III- The patient assistance is requested by a Renown social worker on behalf of a patient once all eligibility criteria is met. The Foundation reviews the request and if approved, payment is made directly to the vendor. In the cases of travel expenses and items previously purchased, reimbursement is given directly to the patient and there is no ongoing monitoring necessary for this assistance. Organization's procedure for determining number of Continuing Education grants: Payments are made to recipients upon the completion of each semester for those expenses not offset by Renown's tuition reimbursement program. Award winners must be recipients of Renown's tuition reimbursement program at the maximum level to receive funding from the Herb & Maxine Jacobs Foundation. Payment is made after verified completion of the course via certificate or transcript. Renown Health Foundation estimated the number of grant recipients for continuing education classes by reviewing the actual expenses and determining to whom they were paid.
