If the requests are approved, funds are paid directly to the vendors, so no ongoing monitoring is necessary for this type of assistance. For Part III- The patient assistance is requested by a Renown social worker on behalf of a patient once all eligibility criteria is met. The Foundation reviews the request and if approved, payment is made directly to the vendor. In the cases of travel expenses and items previously purchased, reimbursement is given directly to the patient and there is no ongoing monitoring necessary for this assistance. Organization's procedure for determining number of Continuing Education grants: Payments are made to recipients upon the completion of each semester for those expenses not offset by Renown's tuition reimbursement program. Award winners must be recipients of Renown's tuition reimbursement program at the maximum level to receive funding from the Herb & Maxine Jacobs Foundation. Payment is made after verified completion of the course via certificate or transcript. Renown Health Foundation estimated the number of grant recipients for continuing education classes by reviewing the actual expenses and determining to whom they were paid.
