Form 990 (2018)

Form 990, Part III, Line 4a:

See Schedule O Renown Health is the parent company of northern Nevada's largest, private, not-for-profit healthcare network. Our income stays right here in the community to provide many programs and services that would otherwise be unavailable. Renown is dedicated to this region and governed by local community leaders and physicians. We are proud to provide the health, education and social welfare that our friends, neighbors and family members expect and deserve. Founded in 1862 as the Washoe Clinic to treat patients affected by a smallpox outbreak in Washoe County, Renown Health was created by members of our community. For more than 150 years, we have solidified a trusting partnership upon which residents have come to depend. With community at the center of our mission, we embrace our commitment to make a genuine difference in lives of others. Renown Health provides various services to all affiliates including Renown Regional Medical Center, an 808-bed full service regional hospital, Renown South Meadows Medical Center, a 76-bed acute care community hospital, and Renown Rehabilitation Hospital, a 62-bed rehabilitation hospital. This furthers the tax-exempt status of the supported Renown entities that provide quality healthcare for Renown's primary service area, Washoe County and the secondary service areas of northern Nevada and northern California. Renown Health has more than 7,000 employees and serves Northern Nevada, Lake Tahoe and northeast California with a total population in excess of 2 million. In addition to the two medical centers and a rehabilitation hospital mentioned above, Renown also has a children's hospital, numerous medical group, urgent care and outpatient imaging practices, and Hometown Health, a health insurance plan. We offer advanced care for patients and embrace our role in improving the health and well-being of the people and communities we serve. Besides our commitment to meeting the healthcare needs of the region, Renown Health gives back to communities by contributing funds, services, facilities and the time and expertise of employees. These benefits to the community flow from Renown Health as a whole and from the individual hospitals, facilities and departments that make up our health network. For the fiscal year ending June 30, 2019, Renown Health and its subsidiaries, provided more than \$158 million in benefit to the community (using community benefit numbers gathered by the Nevada Hospital Association using state-approved criteria to ensure consistency). For a full report on the benefit Renown Health provided to our community, as well as our community needs assessment and community benefit plan, go to www.renown.org/communitybenefit
