Name: Ronald Mcdonald House Charities Of
Idaho Inc

Form 990 (2020)

Form 990, Part III, Line 4a:

Ronald McDonald House Program: In February of 2020, a new 47 room Ronald McDonald House opened its doors, more than doubling the size of the previous facility. This project was the culmination of years of planning and a successful capital campaign. More than 500 families with hospitalized children called the Ronald McDonald House a home in 2020. Even with the pandemic occurring, the House continued to provide shelter for families from across Idaho, eastern Oregon, northern Nevada, and several states as well as countries outside of the US. These families were able to stay at the house during their child's medical treatment. The average length of stay was 10 days and over 3/4 of the families that used the house paid nothing out-of-pocket for their stay. A nominal \$10 per day donation is requested, however, no one is turned away if they are unable to pay. Because we work with vulnerable families, we've had to increase our health and safety measures for the pandemic, so additional spending on personal protective equipment, strict sanitation and distancing measures were adopted, and we suspended our volunteer program out of safety concerns during the pandemic. With the COVID 19 pandemic, many things in the world of healthcare changed. RMHC Idaho worked closely with partner hospitals to help identify needs we could fill for families with sick children. The ability to support families with meals and snacks was the most urgent need, so we stepped forward to build a temporary hospital meal program. In Boise, out of the House program, we began making lunches 4 times a week and delivering these healthy meals to our partner hospitals, St. Luke's Children's hospital and Saint Alphonsus Pediatrics. The numbers varied throughout the year, but during 2020, 6,028 meals were provided to families in the hospital. This allowed parents to remain nourished and at the child's bedside, very important when the visitation policy allowed only one parent to visit a day (due to risk of infection with multiple people at the bedside).

Form 990, Part III, Line 4b:

Family Room Program: The Ronald McDonald Family Room is located inside of Eastern Idaho Regional Medical Center in Idaho Falls, Idaho. The Ronald McDonald Family Room provides a comfortable and supportive environment within the hospital where families can stay close to their child without having to spend all their time in a critical care environment. Even though the space was closed for three months due to the pandemic, over 2,000 family visits occurred in 2020. The space allows families room where they could eat, relax, do laundry, and even nap or sleep comfortably overnight in a private bedroom so that parents can be better rested and able to participate in their child's care. The average length of stay was 4 days and 100% paid nothing out-of-pocket to stay. The Family Room is fully supported by Ronald McDonald House Charities of Idaho staff, as we had no volunteers during the pandemic. During the COVID 19 pandemic, RMHC Idaho worked closely with partner hospitals to help identify needs we could fill for families with sick children. The ability to support families with meals and snacks was the most urgent need, so we stepped forward to build a temporary hospital meal program. In Idaho Falls, when the Family Room was closed, we paid the cafeteria bill for families with pediatric patients, so they could continue to receive support in the form of meals.

Form 990, Part III, Line 4c:

Hospitality Cart Program: In September 2017, a Hospitality Cart program was launched at two regional hospitals, Saint Alphonsus Pediatrics and St. Luke's Children's Hospital. RMHCI cut the ribbon on a 3rd hospitality cart in the Magic Valley in July of 2019. The carts are run by volunteers twice a week. They are designed to serve families who wait for hours without leaving the hospital or their child's bedside. The carts bring parents a hot beverage and snack while keeping the little ones entertained with books, toys, and fun activities. Due to the pandemic, the cart program was suspended in mid-March of 2020, and a hospital meal program delivery was set up to fill the need for families in the hospital.
