**990 Schedule H, Supplemental Information**

Form and Line Reference	Explanation
Schedule H, Part I, Line 6b Community Benefit Report Availability	Cottage Health prepares a Community Benefit Report on behalf of Santa Barbara Cottage Hospital, Goleta Valley Cottage Hospital and Santa Ynez Valley Cottage Hospital. It is filed with the State of California, in compliance with California Senate Bill 697. The Community Benefit Report is available to the public upon request. In addition it can be found on the OSHPD website <a href="https://www.oshpd.ca.gov/HID/CommunityBenefit/Plans.html">https://www.oshpd.ca.gov/HID/CommunityBenefit/Plans.html</a>
Schedule H, Part I, Line 3c Other Financial Assistance Factors	Goleta Valley Cottage Hospital uses FPG based on Household Income to determine eligibility for both discount and charity care on the patient responsibility whether or not covered by insurance. For charity care, Cottage Health considers assets (consistent with state law limitations on the definition of "Monetary Assets") in addition to Income, to calculate total Household Income in relation to FPG. Patients who were determined to be homeless also qualified for free care, assuming they did not qualify for other insurance programs.

<p>Schedule H, Part V, Section B Disclosure Pursuant to Rev Proc 2015-21</p>	<p>The following information is provided pursuant to Section 7 of Revenue Procedure 2015-21 to disclose certain noncompliance with the requirements of Internal Revenue Code Section 501(R). The Revenue Procedure provides for such noncompliance to be reported on the Form 990 filed for the year such noncompliance was discovered. In the interest of timeliness and transparency, Cottage Health disclosed certain noncompliance with Internal Revenue Code 501(R) on its Form 990 for 2016 relative to noncompliance identified in 2017. Upon discovery of the noncompliance, immediate efforts were made in 2017 to implement all required processes and procedures and identify any individuals who were affected by the noncompliance. In 2017 Cottage Health took corrective actions outlined in its Form 990 for 2016. Additionally the below corrective actions were finalized subsequent to the Form 990 filing for 2016.</p> <p>1 Cottage Health undertook additional public outreach to ensure compliance with the "Widely Publicized" requirement at 26 C F R 1 501(r)-4(b)(1)(ii) by informing affected individuals that the FAP is now available on the Cottage Health website at <a href="http://www.CottageHealth.org/FAP">www.CottageHealth.org/FAP</a>. Cottage Health also distributed an email on April 2, 2018 to all individuals whose email addresses were on record with one of the Cottage Health hospital facilities as a general notification to the community of the availability of financial assistance, including how to obtain Cottage Health's Financial Assistance Policy, Financial Assistance Application, and Plain Language Summary.</p> <p>2 Cottage Health calculated and published its AGB for emergency and other medically necessary care provided at each hospital facility in accordance with 26 C F R 1 501(r)-5(b), and instituted policies and procedures to assure that such information is readily obtainable, including specifying in its Financial Assistance Policy the method Cottage Health facilities use to determine AGB. Cottage Health determined that due to its generous financial assistance policy no individuals eligible for financial assistance were charged more than AGB. All FAP-eligible individuals who submitted complete financial assistance applications received discounts pursuant to Cottage Health's financial assistance policy, which discounts exceeded any discounts that would have otherwise been awarded based upon an AGB calculation had it been in effect.</p> <p>3 Cottage Health revised its policies and procedures to ensure that it makes reasonable efforts to determine FAP eligibility in accordance with the requirements at 26 C F R 1 501(r)-6(c) relative to notification requirements prior to performing Extraordinary Collection Actions (ECA's). Cottage Health made efforts to assess how many individuals were affected by Cottage Health's historical noncompliance with the notification requirements. In an effort to restore any impacted individual to the position they would have been in had the noncompliance not occurred, in November 2017 Cottage Health unwound all legal actions actively underway with any individual, including liens, wage garnishments, and credit reporting, regardless of financial situation. In addition, Cottage Health instructed credit bureaus that any adverse credit reporting should be reversed. While Cottage Health reserves the right in the future to pursue ECA's after making reasonable efforts to determine if the individual is FAP-eligible, pursuant to its financial assistance policy, Cottage Health is not actively initiating any ECAs at this time.</p>

Schedule H, Part I, Line 6a Community benefit report prepared by related organization	COTTAGE HEALTH
Schedule H, Part I, Line 7 Costing Methodology used to calculate financial assistance	The costing methodology includes inpatient, outpatient, and emergency department and is broken down by Payer categories. Both direct and overhead costs have been allocated, by services rendered. Each Payer's net revenue is offset by the total cost and the results by Payer are calculated. In addition to a hospital wide cost to charge ratio, we have calculated cost to charge ratios for each Payer, based on the cost of the type of services rendered to their specific patients. Therefore, the community benefit amounts attributable to Medicaid and other government programs are calculated based on their specific cost to charge ratio.

Form and Line Reference	Explanation
Schedule H, Part III, Line 2 Bad debt expense - methodology used to estimate amount	Patient service revenue, net of contractual allowances and discounts, is reduced by the provision for bad debts, and accounts receivable is reduced by an allowance for uncollectible accounts. The hospital establishes an allowance for uncollectible accounts based on many factors, including payer mix, age of receivables, historical cash collection experience, and other relevant information. A portion of the hospital's uninsured patients will be unable or unwilling to pay for their health services; a portion of the hospital's insured patients will be unable or unwilling to pay for co-payments and deductibles. If these individuals do not qualify for financial assistance, the hospital records a provision for bad debts related to these insured and uninsured patients in the period the services are provided. The hospital writes down the expected reimbursement after reasonable collection efforts have been exhausted.
Schedule H, Part III, Line 4 Bad debt expense - financial statement footnote	The hospital establishes an allowance for doubtful accounts based on many factors, including payer mix, age of receivables, historical cash collection experience and other relevant information. A significant portion of the hospital's uninsured patients will be unable or unwilling to pay for services provided and a significant portion of the hospital's insured patients will be unable or unwilling to pay for co-payments and deductibles. The age of the receivable impacts collectibility, and the hospital's reserves are based on historical cash collection experience for similarly aged accounts. Accounts greater than 364 days are fully reserved, by policy. Cottage records a provision for doubtful accounts related to all accounts in the period the services are provided.

Form and Line Reference	Explanation
Schedule H, Part III, Line 8 Community benefit & methodology for determining medicare costs	The shortfall from total costs for Medicare patients is a significant loss to the hospital. The Hospital is providing care to patients whose insurance (Medicare) does not cover the entire cost of their care. This provides significant aid to the elderly in the community. Some of these elderly people would qualify under FAP guidelines for financial assistance under any other Payer program. The dollars reported are taken from the 2017 Medicare Cost Report and are derived following their guidelines of allowable and non-allowable costs.
Schedule H, Part III, Line 9b Collection practices for patients eligible for financial assistance	Cottage Health's Financial Assistance Policy (FAP), which includes actions Cottage Health may take in the event of non-payment and applies to the largest number of Cottage Health's patients, states that Cottage Health will not engage in Extraordinary Collection Activities (ECAs) (defined in the policy) for a period of at least 150 days following the date of the first post-discharge billing statement, nor will Cottage Health engage in ECAs before making a reasonable effort to determine whether a patient is eligible for financial assistance pursuant to Cottage Health's FAP. The FAP further states that, at least 30 days prior to engaging in any ECAs, Cottage Health will (a) provide written notice to patients regarding the availability of financial assistance, the specific ECAs Cottage Health intends to take in the event of non-payment, and a deadline after which Cottage Health may initiate ECAs, (b) provide to patients a written plain language summary of Cottage Health's FAP, and (c) make reasonable efforts to orally notify patients about Cottage Health's FAP and how the patient can obtain assistance with the financial assistance application. The FAP further states that, if Cottage Health receives a complete financial assistance application during the Application Period (as defined in the FAP), Cottage Health will suspend ECAs and process the patient's application, and if Cottage Health receives an incomplete financial assistance application during the Application Period, Cottage Health will suspend ECAs and provide a reasonable opportunity for the patient to submit a complete financial assistance application. ECAs are defined as (a) actions requiring a legal or judicial process, and (b) reporting adverse information to credit reporting agencies or credit bureaus. Cottage Health's FAP further states that Cottage Health may employ reasonable collection efforts to obtain payment from patients, other than ECAs, including issuing statements, making telephone calls, and sending e-mail messages.

Schedule H, Part VI, Line 5 Promotion of community health	<p>The Board of Directors is made up of prominent community members who volunteer their time to ensure that the Goleta Community has access to high-quality, affordable healthcare. The Board of Directors is actively involved in the Hospital's strategic decisions and takes its commitment to the Community very seriously. The Board approves of an annual financial budget and reviews a long-term financial plan to guarantee the Hospital will continue to offer hospital services to the Community for years to come. The Board also approves of annual top goals that are consistent with the mission, vision and values of the Hospital. The financial forethought of the Board of Directors resulted in surplus funds that were used to rebuild the facility. Because of Board foresight, construction was complete and in 2016 Goleta Valley Cottage Hospital moved into its new hospital which complies with the unfunded mandate of the State of California's Senate Bill 1953 (SB1953), requiring all hospitals to retrofit or rebuild in order to withstand a major earthquake. The Hospital used this opportunity to live the core value of excellence by ensuring that the new facility met the current and future healthcare needs of the Community. Goleta Valley Cottage Hospital works cooperatively with the open medical staff to improve healthcare in the community. The Hospital is exploring how to better align with physicians in order to provide the highest quality of care.</p>
