

Speed Dating at 707 Oxford

Hello Everybody!

My name is Jackson Glass. I'm a current junior here at the Alpha Phi Chapter of Phi Gamma Delta, and this year I'm planning the 2024 Norris Pig Dinner. In addition to this, I'm organizing something we're coining "speed dating," which will in essence be a quick meet and greet/coffee chat before the dinner.

Undergrads (or groups of) with certain career aspirations will be paired with alumni in the field to get to know each other and pass along knowledge and advice to the next generation of Phi Gams, truly showcasing how Phi Gamma Delta is *Not for College Days Alone!*

The event will be held at our Chapter House (707 Oxford Road) from 3-5pm on November 22, 2024. In addition, the house will be open from 4:30 until a little before the dinner (6:15ish) for house/room tours and a general, less structured, hangout with all of the brothers. Everyone is invited for this as well before walking (or Ubering if Michigan weather decides to be uncooperative) to the dinner at the Michigan Union.

If you're interested in this, or even just getting to know the current brothers at 707 Oxford, please fill out [this Google form](#).

In addition, I've left a question blank for any concerns, comments, or ideas you may have. I plan on making this a yearly event, so any commentary is appreciated.

We hope to see you there!
