Brothers gather for Fig Dinner 2024

60 Brothers gathered on November 22nd to celebrate the 119th annual Pig Dinner at the Michigan Union. The Undergrads resumed leadership for hosting this traditional event and did a bang up job. Check out the full story to see how the Chapter added some new twists to this year's activity, along with our usual traditions.

Foundation raises funds

Kelley Rea '66, quietly raised almost a quarter million dollars for the sustainability of our chapter at 707. These added funds to the Phi Gamma Delta of Michigan Foundation will help sustain the continuity of our beloved chapter through scholarship funding or unforeseen significant costs to our aging house. Thank you to all who generously helped make this possible.

If you missed the chance to contribute last year, you are still able to do it. Just click on the link below: <https://www.phigams.org/donations>.

Chapter off Trusteeship

Effective February, the Archons have voted to lift the Graduate Trusteeship status at Alpha Phi Chapter. This means that the Chapter has returned to 'good standing' with the international Fraternity and is able to enjoy full rights/privileges with the organization. Congratulations on the chapter's progress toward this goal. Thanks to the leadership and guidance of Bob Pierce '83, the chapter has resolved the issues with National that triggered the Trusteeship 4 years ago. The Trustee committee will continue to support the chapter as the renewed Board of Chapter Advisors as we move forward.

Lost Brothers

Believe it or not, we have graduated 2593 Brothers through 707 Oxford, and 1694 are still living. However, of the living, we do not have good contact information for 194 of them. That means they don't get the latest information about our beloved chapter. In fact, they won't get this Ephlier. You probably know how to connect with some of them. Check out the list, and use the links on it to send me any corrections you may be able to make to bring our data up to date. Click the link below:
