The time to gather

If you haven't signed up for Pig Dinner this year, it is time to let us know you are coming. The Undergrads are giving Pig a whole new look this year for a memorable weekend with your Fiji Brothers.

<https://phigams.org/articles/pig-dinner-2024>.

You should have received your invitation in the mail by now. If you didn't get it we probably need a better address for you. Just drop me a quick email with your correct info. fijiman@metalmasters.com

If you haven't sent your reservation back, you can sign up online. <https://phigams.org/pig-dinner-2024/>

We need to know by November 5th.

Think of one of your classmates you haven't seen for years, and contact him to be there, too. If you don't have contact information for him, look him up in our Chapter Directory. <https://www.phigams.org/private>

You can see who has already signed up at <https://phigams.org/pig-dinner-2024/attendees#list>

If you're not on the attendee list - get there now, so your classmates know you will be there.

Let's make this the best Pig Dinner ever!

Sustainable 707

Many of you know that we are having a fundraising drive by our charitable Phi Gamma Delta of Michigan Foundation. Our goal is to raise \$500,000 to sustain the quality of our fraternity at Michigan. The undergrad brothers are doing well, 2nd in academics, leaders in philanthropy activities, and men of good character. This call for donations is to support larger scholarships to these men to lighten their financial burden, to reward good scholarship and high achievement, and to maintain the educational facilities at the chapter house (we are currently looking at a major upgrade to a fiber based Internet system).

We welcome any gift you feel you can make, but will consider naming rights (personal or for a class) for key rooms in the house for larger donations. Contact Kelley Rea '66 if you would like to consider this.
