Jam Competition #2

To take part in the Jam Competition and the chance to win a Komplete Kontrol A49 midi controller, just follow these steps:

1. Download the backing track (you've probably already done that!)
2. Film & record yourself jamming over the track
3. Upload the video to YouTube or Instagram and make sure you use the hashtag **#PianoPig JamCompetition**

The chords for the track are mostly Gm7 throughout. In the 4th time round it goes to an Ebmaj7 and then a D7.

I'll be watching every single entry and I can't wait to see them all! Good luck ☺
