No More Saviors

I know that people are panicking and upset about what is going on with the government. I don't really know but a small portion of what's going on, because I don't watch television and I don't allow myself to be emotionally manipulated by the media. But I do know that the government has shut down, and I know that people are really stressed about it.

Let me tell you something. There are no more saviors. Every savior that was supposed to come has already come. There's nothing else to be done by anyone but you. This is YOUR life. Your financial security is YOUR responsibility. Your health and wealth are YOUR responsibility. God has left a whole entire roadmap and guidebook that shows and tells us exactly what to do and how to live. Not only that, but we all have access to the Spirit of God which pours out endless wisdom and knowledge daily.

Do not give anyone control over your future. Respect those in authority. Obey the laws of the land. Do all of that, but stop looking for people to save you. You have dominion here. This is YOUR world. If you want your life to change, change it. The power is in YOUR hands. The responsibility lies with YOU. And guess what? You are more than able to do everything that needs to be done to secure your future. You're MORE than able. You just have to do it. God will be with you as you make the changes you need to make. Just do it. Today. Start fixing your credit. Start changing your diet. Do whatever you need to do, and you will start to see the hand of God assisting you as you go. I promise you that! Let's go!

Have an amazing day today. Show love to yourself AND others. Be GREAT! I speak life to you and everyone and everything connected to you! Catch me tomorrow!

XOXO,
