Budgets

WHY DEALERSHIPS CHOOSE STEALTH FOR SECURITY NEEDS:

- High-tech IP surveillance systems that are monitored in real time
- Average 500+ arrests per year
- Combination of technology with human intelligence to detect and help prevent crimes in progress
- Ability to see criminal activity often results in quicker police response times
- Real-time "Talk Down" solution acts as an immediate audio deterrent
- Interaction and information sharing with authorities to build relationships with local police departments
- Video review service provides an easy and cost-effective way for property managers to investigate and document incidents (ex. claims, lawsuits, vendor management)
- High-risk sites can receive 24/7 monitoring, including weekends & holidays
- Customizable security service protocols & operational reporting
- Recurring diagnostic checks on equipment to maintain health of hardware and camera network
- Packaged value-added services custom-built with internal programming department to support core services

STEALTH PROVIDES BETTER SECURITY, HELPS TO MANAGE RISK AND MITIGATES LIABILITIES WHILE PROVIDING THE FOLLOWING BENEFITS:

- Rapid police dispatch and incident reporting
- Remote activation using audio speakers to deter crime
- Video evidence and reports to authorities
- Video review service provides an easy and cost-effective way for facility managers to investigate and document incidents
- Video evidence of where a customer is located on the property when approached by a salesperson and how much time they spend together
- Gate entry/exit control for remote vehicle storage compounds
- Customizable security service protocols & operational reporting
- Provide information to help enforce safety/compliance regulations
- High-definition cameras track the smallest details
- Video evidence and reports to verify on-site activities

Leaders in Remote Video Monitoring & IP Security Solutions

THE STEALTH ADVANTAGE

Real-time Health Checks & 24-hour IT Support

Recurring diagnostic checks on equipment and site inspections

Site Analysis & System Design

Consultation and customized solutions to enhance security measures

High-Definition Surveillance

In-house software development and installation team work together to provide top-quality products and technical support

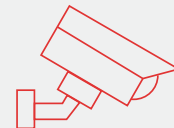

Operational Management Tools

Customized service protocols to meet client-specific requirements

Video Analysis

Proactive video investigation team performs video reviews for security and operation events

Live Remote Video Monitoring

Customized monitoring solutions: live video monitoring, analytics and event-based monitoring, plus video guard tours

SERVING CUSTOMERS ACROSS NORTH AMERICA
