WHY OFFICE BUILDINGS CHOOSE STEALTH FOR SECURITY NEEDS:

- High-tech IP surveillance systems that are monitored in real time
- Average 500+ arrests per year
- Combination of technology with human intelligence to detect and help prevent crimes in progress
- Ability to see criminal activity in real time often results in quicker police response times
- Real-time "Talk Down" solution acts as an immediate audio deterrent
- Interaction and information sharing with authorities to build relationships with local police departments
- Video review service provides an easy and cost-effective way for property managers to investigate and document incidents (ex. claims, lawsuits, vendor management)
- High-risk sites can receive 24/7 monitoring, including weekends & holidays
- Customizable security service protocols & operational reporting
- Recurring diagnostic checks on equipment to maintain health of hardware and camera network
- Packaged value-added services custom-built with internal programming department to support core services

MANAGE RISK AND MITIGATE LIABILITIES

Office buildings seek to maintain a secure environment for their tenants, while reducing their own exposure to premises liability. Commercial properties rely on after-the-fact evidence that doesn't stop a crime in progress and has little value if criminals cannot be identified. On-site security guards are expensive and have many limitations.

STEALTH PROVIDES THESE BENEFITS:

- Reduce theft, vandalism and property damage
- Deter rooftop copper theft & HVAC damage
- Improve marketability and vacancy rates
- Lower business risk
- Differentiate your assets from your competitors
- Help prevent elevator damage – We helped one customer save \$400K in damages the first year of using our service
- Convenient payment options with no surprise cost
- Receive full-service consulting with turnkey system design and installation
- Consolidate portfolio security on a single enterprise platform
