

# SarnaBrite™ SKYLIGHT PROGRAM

Two of the roofing industry's strongest brands, Sika Sarnafil and VELUX®, have partnered together to revolutionize the commercial skylight market.

With more than 55 years of roofing and waterproofing experience on buildings of all types and in many diverse climates, Sika Sarnafil is the worldwide market leader in thermoplastic membrane technology. Likewise, VELUX is the market leader in the manufacturing of the most trusted skylights and roof windows in the industry.

Thanks to this new alliance, we're excited to offer the SarnaBrite Skylight Program's benefits to building owners.

- Covered by Sika's Roof System Warranty up to 20 years
- Exceeds standard industry coverage of 5-15 years
- 15-year Hail Breakage Warranty included (up to 2" diameter)
- The VELUX Dynamic Dome is an innovative product that balances the structural demands of industry professionals with a progressive design
- Architecturally elegant and strong, the dome shape is engineered to maximize low-angle sunlight
- Thanks to these "daylighting" features, it's yet another way a Sika Sarnafil roof can contribute to energy savings
