

# PRODUCT DATA SHEET

## SARNARAIL

Sarnarail is a high performance polymeric batten strip used with approved fasteners to in-seam attachment Sarnafil® S327 membrane or Sikaplan fastened® membrane to the roof deck.

### PRODUCT INFORMATION

#### USES

Used within the patented double weld Sarnafil Express system.

#### AREAS OF APPLICATION

- New Roof Applications
- Reroof Applications
- Recover Applications

#### FEATURES / BENEFITS

- Easy to install
- Distributes the loads uniformly across a series of fastening points, maximizing fastener pullout and backout resistance
- Manufactured from non-corrosive material

#### TESTS

#### CODES / APPROVALS

- ICC Code Compliant – ESR 1157

### PRODUCT DATA

#### FORM

#### COMPOSITION

Sarnarail is produced from a low profile, high performance thermoplastic polymer. Sarnarail is provided with pre-punched holes every 3 inches (76 mm) to allow various spacing options.

#### COLOR

Off white

#### DIMENSIONS

Width: 0.75 in (19 mm)

#### PACKAGING

250 ft (76.2 m) coil per box, 10 lbs (4.5 kg) per box

### SYSTEM INFORMATION

#### INSTALLATION

Sarnarail is positioned on the fastening line of the membrane and fastened to the roof deck with approved fasteners clamping the membrane tightly to the substrate. The adjacent roll of membrane is positioned to overlap the fastened edge by 5.5 inches (140 mm), aligning with the overlap line marked on the membrane. Hot-air weld the two membranes with a Sarnamatic 641mc or Sarnamatic 661mc machine with a patent pending double weld kit. While pulling the welded membrane tight, install and fasten the next Sarnarail as stated above. Fastener spacing is determined by Sika technical requirements.

<b>AVAILABILITY</b>	From Sika Corporation – Roofing Authorized Applicators for use within Sarnafil or Sikaplan systems.
<b>MAINTENANCE</b>	Standard maintenance of Sarnafil or Sikaplan systems should include regular inspection of flashings, drains, and termination sealants at least twice a year and after each storm.
<b>WARRANTY</b>	As a Sika supplied accessory, Sarnarail is covered under Sika Corporation warranties.
<b>LEGAL NOTES</b>	<p>All information provided by Sika Corporation (“Sika”) concerning Sika products, including but not limited to, any recommendations and advice relating to the application and use of Sika products, is given in good faith based on Sika’s current experience and knowledge of its products when properly stored, handled and applied under normal conditions in accordance with Sika’s instructions. In practice, the differences in materials, substrates, storage and handling conditions, actual site conditions and other factors outside of Sika’s control are such that Sika assumes no liability for the provision of such information, advice, recommendations or instructions related to its products, nor shall any legal relationship be created by or arise from the provision of such information, advice, recommendations or instructions related to its products. The user of the Sika product(s) must test the product(s) for suitability for the intended application and purpose before proceeding with the full application of the product(s).
