Stain resistant | Bleach cleanable | Antibacterial

Well-protected by our exclusive Crypton finish, Davenport is a beautiful, quality leather with a soft hand and a good drape. Aniline dyed and finished with a durable yet light finish, Davenport is stocked in over 30 colors, making it the perfect choice for a broad range of applications. Natural markings are minimized by enhancing the surface with an embossed grain which maximizes yield and increases the cutting area.

Environmental Stewardship: Davenport is produced in a tannery which has achieved a gold rating as audited to the Leather Working Group environmental stewardship and traceability standards. Further enhancing its sustainability profile, Davenport is finished without the use of solvents or lead, emits low VOCs and has achieved an Indoor Advantage Gold certificate from SCS.

Technical Specifications

Origin	USA
Raw Material	Top grain, aniline drum dyed
Leather Type	Pigmented, protected by Crypton®
Hide Size	48 – 52 sq.ft.
Thickness	1.0 – 1.2 mm
Abrasion Resistance	ASTM D7255: CS10 Wheel Taber 1,000 cycles/1,000 gram weight
Light Fastness	ISO 105-B02: Blue Wool Scale ≥ 5
Wet Crocking	ASTM D5053: Class 5
Dry Crocking	AATCC 8 and ASTM D5053: Class 4 or better
Blocking	TMS 311 3121.1: Separate with ease and no finish damage
Elongation	ASTM D2208: 40% maximum @100 lbs.
Tear Strength	ISO 3377: 100 lb. minimum
Flexibility	ASTM D2097: 70,000 cycles
Antibacterial	AATCC 100: 99.9% Reduction of Bacteria – AATCC 4352 Klebsiella Pneumoniae and AATCC 6538 Staphylococcus Aureus
Stain Release	AATCC 130–2000: 5 Rating (Excellent) for Coffee, Wine, Ketchup, Hair Products, Sunscreen, Betadine and Body Fluids; Withstands a 5% bleach solution
Flame Resistance	NFPA 260: Class 1; CAL TB117–2013; Boston Fire Code; NY/NJ Port Authority; FMVSS 302; IMO 2010 FTP Part 8 (A.652(16))
Performance Category	3
Cleaning Code	5

Performance Category 3

Leathers with Performance Category 3 are protected for use in the most challenging wear, stain and fading environments such as commercial aviation, automotive, office task chairs and dining seating. Only pigmented and semi-aniline leathers with strong protection meet the standards for this category. Of course, these leathers are also suitable for any application where bright, uniform colors and exotic looks are desired. More information is available on our website at cortinaleathers.com/resources/performance/.

Care & Cleaning Code 5

Cortina Leathers with Crypton® provide the industry's greatest stain resistance and cleanability. Stains which can be easily removed include wine, coffee, sunscreen, hair gel, hair mousse, vinegar, blood, urine and most other stains from food and typical soiling. Should a spill occur, blot (pressing gently without rubbing) immediately using clean, dry sections of an absorbent cloth or paper towels. Should soiling remain or for a more thorough cleaning, Cortina Leathers Universal Cleaner High-Tech Wipes® or a solution of lukewarm water and a mild cleaner, such as Ivory® soap or Woolite®, may be used. Dampen a clean white cloth and gently wipe the affected area using a circular motion. Rinse completely with clean sections of cloth which is damp with plain water until all cleaner is removed. Blot dry with paper towels or dry cloth and allow to completely air dry. Repeat the cleaning process as

Care & Cleaning Code 5 (continued)

needed, allowing the leather to dry between applications. If necessary, Cortina's running-line Crypton protected leathers can be cleaned with cleaners containing up to a 5% bleach solution (Sodium Hypochlorite). However, most stains can be easily removed using just gentle soap and water or the readily available commercial and household cleaning products listed on our website.

Note: To ensure complete removal of any stain from Crypton-treated leathers, the cleaning process must be undertaken within 60 minutes of any spillage or staining occurring. Successful stain removal will become less possible over time, so always treat spills and stains immediately. Avoid the excessive application of cleaning products on seams or stitching. Visit cortinaleathers.com/resources/care-cleaning/ for more information.

Warranty

Leathers with Performance Category 3 have a 5 year limited warranty against manufacturing defects. Leathers with Crypton protection also feature a 3 year warranty for stain resistance. See complete details at cortinaleathers.com/resources/warranty/.
