WHAT

Taught by CPT Education Associate, Allyse Corbin, **Picture This! – JUNIORS** is an in-person after-school theatre program where youth will ignite their creativity by building imagined worlds and improvised stories both individually and as an ensemble. Guided by teaching artists, these young theatre artists will collaborate to learn theatre basics and take images from their mind to transform them into stories for the stage. Young artists will also develop their vocal and physical expression through daily body-voice training. Spring session culminates with an in-person showcase for family and friends on final class day. CAN Academy performing arts activities improve academic skills, instill empathy and responsibility, build character, and enhance creative thinking. Join us this fall for this creative exploration of play!

This program is offered at NO COST thanks to the Cleveland Foundation. All classes are in-person on-site at Cleveland Public Theatre. Young artists must be masked and follow our health and safety protocols.
