### WHAT

Join us for **LIVING PICTURES – SENIORS**, an in-person after-school program that provides theatre training from an imaginative perspective. Students will learn acting fundamentals, storytelling methods, collaborative creation, creative movement, and critical thinking. Youth will build upon basic theatre training by completing individual assignments and group work that will bring imagined worlds to life with a live showcase for family and friends on the final day. CAN Academy performing arts activities improve academic skills, instill empathy and responsibility, build character, and enhance creative thinking. Join us this fall for this JOYFUL exploration of play!

**This program is offered at NO COST thanks to the Cleveland Foundation.** All classes are in-person on-site at Cleveland Public Theatre. Young artists must be masked and follow our health and safety protocols.
