WHAT
Join us for Theatre in Motion, an in-person after-school program that provides theatre training from an imaginative perspective. Youth will explore acting fundamentals, storytelling methods, collaborative creation, devising techniques, and critical thinking through a lens of movement. Students will build skill through vocal and physical training, ensemble building, and create new and original works culminating to a live showcase for family and friends on the final day. CAN Academy performing arts activities improve academic skills, instill empathy and responsibility, build character, and enhance creative thinking. Join us this winter for this JOYFUL exploration of play!

This program is offered at NO COST thanks to the Cleveland Foundation. All classes are in-person on-site at Cleveland Public Theatre. Young artists must be masked and follow our health and safety protocols.
