DRi
Direct Recruiters, Inc.

CONSUMER & PROFESSIONAL TECHNOLOGIES

Direct Recruiters has been recognized as the relationship-focused search firm that assists Consumer Technologies organizations with recruiting, acquiring and retaining high-impact talent for mission-critical positions. We have been a trusted partner for some of the most progressive companies in the industry.

FINDING TOP TALENT

The growth of the Consumer Technology Industry can be attributed to many factors such as the increasing demands of consumers for convenience, comfort, entertainment, safety, and energy savings. To meet these needs, large number of manufacturers are updating and expanding their product portfolios.

The executive search consultants at DRI actively seek out and recruit the most talented and ambitious candidates for mission critical consumer technology positions. We place candidates in senior-level and executive positions at technology companies and organizations all across the United States.
