#### Site Plan & Sign Detail Requirements for Sign Permit Applications

One (1) set of scaled paper plans & 1 set of scaled digital plans (if submitting online, no paper plans are needed). The site plan and signage details must be prepared to scale and provide all required information as required under the Orange Township Zoning Resolution Sections 22 & 25.03.

Plans should include a north arrow, scale, setback distance from property lines and/or street right-of-way boundaries, all utilities, easements and no build zones (if applicable).

Building elevations and/or architectural renderings (in color) indicating signage location(s). Also include the street frontage to calculate the aggregate sign area.

The site plan showing the exact location of the proposed sign on the property/building.

Sign details should include a sign key (when applicable, i.e. multiple signs), diagram, schematics, including dimensions cross-sections, and mounting.

Any other information with regard to the lot or neighboring lots which may be necessary to determine and provide for the enforcement of the Orange Township Zoning Resolution.

The Orange Township Zoning Inspector will confirm signage height and location upon completion of the project to ensure signage standards are met.
