COMMUNITY VOLUNTEER BOARD OPPORTUNITIES

Orange Township is seeking volunteers for the Parks Subcommittee! This group will review and recommend projects in accordance to the 2022 Parks Master Plan. They will also take an annual review of the 2022 Parks Master Plan to discuss any necessary amendments. If you have a passion for parks, send your resume, and a brief bio to spherbert@orangetwp.org by December 9, 2022.

OPERATIONS UPDATE

The Operations Department has been hard at working finishing end of season tasks. It's not long until the snow and cold arrive and stay for a while! Below are a few pictures of projects completed throughout October.

Public works employee, Mason Mollohan, can be seen in the photo below adding fish to one of the township ponds. Restocking of ponds can be a great way to not only add forage fish to the food supply, but also a way to keep our ponds productive for those wishing to visit one of these great park amenities.

Township Parks crews recently performed fall athletic field maintenance, which included minor grading work, core aerating all fields and over seeding worn areas.

At the request of the community, the township recently updated the sign at the Africa Cemetery on South Old State Rd.

Orange Township Light Fight!

Residents are encouraged to participate in the Orange Township Light Fight, a house decorating contest! Applications will open November 7, 2022 and will close at midnight on December 5, 2022. Routes for residents to drive and see participating houses will be published December 7, 2022 and the contest will run December 9-31, 2022. There will be four categories, Griswold, Peoples Choice, Kids Choice, and Trustees Choice. The winner for each category will receive a yard sign with the year and the category they won. Winners will be decided by a Google Form filled out by residents.
