## Orange Township Zoning Open House

We had an excellent turn out at our recent Orange Township Zoning Open House on July 26, 2023. This was an opportunity to connect with our residents, and to provide information and collect feedback on the Draft Zoning Resolution for our upcoming zoning code rewrite.

Those attending had five stations they could visit where they could see a draft of the proposed zoning map as well as highlights of the proposed zoning resolution. As residents moved from station to station, they had the opportunity to see how the proposed changes could affect their properties and neighborhoods.

We received many useful comments for us to reflect on as we continue to draft a new Zoning Resolution. We appreciate all those who took time out of their day to attend the event and give their feedback! If you were unable to attend the Open House you can view each station's boards on our website: <https://www.orangetwp.org/departments/zoning/>, and if you have any comments or questions regarding the zoning code rewrite, please email [orangezoning@orangetwp.org](mailto:orangezoning@orangetwp.org).
