

INDIVIDUAL'S ANNUAL BUDGET FOR SERVICES

Learn more about service funding

WHO IS AN AVERAGE PERSON RECEIVING SERVICES?

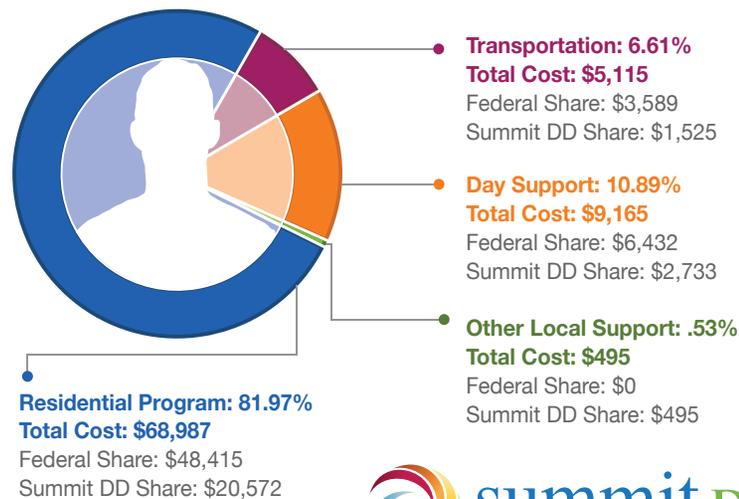

Hi my name is Joe. I work two days a week at Acme Fresh Market, and go to a private provider **day program** three times a week. I also get to and from work using a private **transportation** service provider. My three roommates and I live in a house in Stow where I use my personal earnings to pay my rent. My **residential** service provider helps us with daily needs such as getting groceries, doing laundry and/or helping with personal care. When I have time with friends, I like to go bowling and out to eat.

Did you know that funding for an individual follows the person, not the service or organization?

Funding is based on a person's identified outcomes. Summit DD SSAs assist each individual to create a person-centered plan and develop a budget that connects them to services in their community. Below is an example of an average budget for an adult on an IO Waiver in Summit County.

IO **INDIVIDUAL OPTIONS WAIVER (IO WAIVER):**
 Average Waiver Cost (per person): \$83,266
 Average Federal Share: \$58,436
 Average Summit DD (locally funded) Share: \$24,830

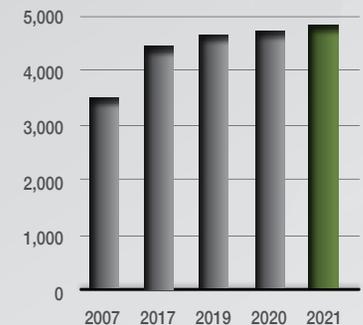

QUICK FACT:
 1,368 people use an IO Waiver

- 90% of adults supported by Summit DD are funded through a Federal Medicaid Waiver
- Medicaid pays approximately 70% of the costs for services and Summit DD (through local levy dollars) pays 30% of the costs for services*
- Medicaid dollars ensure Free Choice of Provider, meaning individuals choose a willing provider who meets their needs
- Summit DD coordinates services for all individuals and provides oversight for the quality of services provided

TOTAL PEOPLE SUPPORTED

Summit DD continued to experience growth among all age segments and service areas through the past several years.

*Due to the Pandemic, the Medicaid and local funding split was enhanced in 2021. Funding will return to 60% paid by Medicaid with a 40% local match in the future.
